Miss Ida M. Tarbell,
120 East 19th St.,
New York City.

Dear Miss Tarbell:

Your telegram requesting copies of the Star for February and March has come to my attention. I am going to do my best to see that you get each of our issues for these two months, but I am afraid there will be some days missing out of the file we send you.

If there is anything in particular which you are looking for in the missing issues, if you will let me know what it is I will be glad to take the item from our "clip" file which we maintain.

I do hope that you return to Tucson again next winter. Your lectures went over so big in Tucson that they are still talking about them, and Tucson now feels that she has some kind of a proprietary interest in you and expects you to return next winter.

With kindest regards and best wishes,

Very respectfully,

Wm.R. Mathews,
Editor and Publisher.
