VOL. XVII. NO. 32. ALLEGHENY COLLEGE, MEADVILLE, PA., MAY 28, 1901. NEW SERIES

11-6

TELLS THE HISTORY OF A GOOD GAME—ALLEGHENY DOWNED THE GRISWOLDS OF ERIE. ONLY ONE INNING ON EACH SIDE LOOSE—BUNCE PITCHED WELL.

By far the best game of the season was played on Saturday, when our team defeated the Griswolds of Erie by the score of 11 to 6. The team presented many changes since its last appearance, and it seems that Captain Endean has at last arranged the men so that the best results can be obtained. The article of ball playing by our team on Saturday, with the exception of one inning, was as good as at any time in the previous years, and it seems that Allegheny will yet have a first class team before the season is over. Owing to an injury received by Mook, Captain Endean was forced to catch, this necessitated a new third baseman. Middle field and second base were ocupied by new men, and Bunce pitched instead of Taylor. The new men, with one exception, did especially good work.

The game contained some good playing and several times the spectators became so interested that they applauded—a rare thing for an Allegheny base ball crowd. Three times with three men on bases the team braced themselves and stopped scores. Twice Endean by his clever work caught men at the home plate and once Bunce by some clever pitching and fielding, retired the three batters, after the first two men had reached their base.

McConnell fielded his position well, two of his catches being exceedingly brilliant. Leffingwell in left caught several hard flies and ran bases in good style. The batting of Turner was as usual of high order. He secured three hits, two of which were two-base hits.

Much of the life of the game was put into it by Endean. He kept his men working hard all the time and he blocked several runners at the plate, which could have been imitated to advantage by the other base men. Bunce pitched a steady game and with fair support in the seventh inning he would have held his opponents to one run.

The visitors started the scoring in the first inning. Peters the first batter, singled to left, stole second and third and came home on a passed ball. The next three men struck out. In the next two innings Allegheny displayed some clever work. Hartlein, the first batter up in the second, knocked a two-base hit and went to third on Nicholson's out. Endean dropped the third strike on the next batter and by making a clever feint to throw to first he drew the runner from his base and he was run down by Hamilton and Endean. The play drew the applause that it deserved. In the third, with runners on third and second and none out, the three batters were thrown out by Bunce. It was a critical position for a pitcher, but Bunce was equal to the occasion. Allegheny scored three in the third on some clever batting with two men out. Turner, after knocking a long foul fly that would have been good for a home run if fair, knocked a single. Leffingwell singled and when the second baseman dropped Endean's hit, Turner scored. Leffingwell and Endean both scored on a pretty single by Lewis. Taylor singled in the fourth and scored on a two-base hit by Hamilton.

Both teams had played good ball, but in the fifth the visitors seemed to weaken and Allegheny succeeded in scoring five runs before the inning was over. Drum opened the inning by going to first on balls, he stole second and scored on Turner's pretty double to right. The next three batters got to base on errors, and together with several stolen bases and passed balls the team had batted around once and scored five before the inning ended.

Allegheny duplicated Erie's performance in the seventh inning and by some very yellow fielding allowed the visitors to score five runs on two hits. This was the only inning that Allegheny played poor and after that they held their opponents well in hand and gave them no chance to score.

Allegheny added two more to her nine runs. In the seventh Bunce knocked a three bagger and scored on an out at first. This was the longest hit of the game. Drum scored the last run of the game in the eighth. He got to first on an error and then by doing some clever base running he scored on a passed ball and an out at first.

For the visitors the best work was done by Peters, Hartlein and Driscoll. Hartlein pitched a good game, but, like Bunce, was poorly supported in one inning.

Large Meeting

OF TENNIS PLAYERS—LARGE MEMBERSHIP OF THE ASSOCIATION—DATE OF TOURNAMENT—THE OUTLOOK.

A large, enthusiastic meeting of the tennis players of the college took place immediately after chapel on Thursday. Prof. Smith acted as chairman. Several students spoke about the large number of tennis players in college and exhorted them to take an interest in and enter the tournament.

"It is time we are geting together and doing something," is the manner in which it was expressed, and this was the spirit shown by all.

It was reported by the treasurer, B. B. Whitehill, that about 50 men were enrolled in the Tennis association, and that about 15 women were ready to join. With a membership of 65 or more there is no reason why an interesting tournament cannot be held this season. The four of five courts in use are scenes of activity, but it was suggested that any who had not the use of a court be allowed to use these courts at certain hours in the mornings. So that, if anyone de-

With this edition we take pleasure in presenting our subscribers the picture of the Campus Board.

The program of Commencement Week, which we publish in another column, is undoubtedly the most elaborate ever undertaken. The week will be full of interest from beginning to end and will be the fitting close for the successful year through which we have passed. Those who will be heard by the visitors are all of wide reputation and prominence, most of them the sons and daughters of old Allegheny. As Allegheny is ably represented in every branch in life, she has little trouble in chosing a coterie of able speakers. The baccalaureate sermon, instead of being given by the president as in former years, will be delivered by Bishop J. M. Thoburn. A treat will be given the lovers of music in the form of a concert rendered by Mme. Schumann-Heink and the Glee Club. We are certainly very fortunate in securing Mme. Heink, who is recognized as one of the best contraltos in the musical sphere. Another variety will be the dedication of the Newton Observatory and the corner stone laying of the Ford Memorial Chapel and the New Library. These exercises will be of especial interest and Hon. W. A. Stone, governor of Pennsylvania will be present to take charge of part of them. These special attractions in addition to the regular program, which has been prepared with zealous care will make this the greatest Commencement in the history of Allegheny College.

There are innumerable "kicks" and "cusses" uttered against the many college affairs. It truly is not hard to find opportunities for such demonstrations of shallow intellect if one makes it his business to look for them. But when complaints are made, did you ever take the trouble to notice who does it? Your attention will be directed first to a class of persons who do not support general college affairs at all, either from the lack of money or from the lack of true college spirit. You will also see some who are interested but who lose self control at times.

And what is the cause of the apparent discontent? The idea that every department in Allegheny should be superior to every department in every other college. Of course this is a high ideal and one to be sought for, but it is an impossibility. And not because some one phase of college affairs drops below the standard, that seems to be the incentive for a full line of "kicking." Such a spirit is indeed far from the true spirit that should be shown. It is the duty of all to help make college better, and loyal support instead of constant complaint will do this. Say the right thing at the right time and you will have a reward laid up for you in the hearts of your fellow students. But nothing is more distasteful and disagreeable than the reverse.

For instance, if the base ball team loses a game, do not condemn them as the essence of all that is bad but encourage them that they may feel like doing better next time.

Manager Travis has informed The Campus that some of the base ball subscriptions are still unpaid. This is a disgrace to loyal students and should be attended to at once. Any person who will subscribe a sum after his name in his own handwriting merely for public show and does not intend to pay it, is certainly devoid of all principles of honor. If any one has done this and we hope no one could stoop to such a low trick, his only salvation for retaining a good name is to make some arrangement with Mr. Travis. We trust no one had this in mind and by this simple reminder we expect all to settle up immediately. It would not look well to have a list of unpaid subscriptions published in The Campus. Do not make this necessary.

THE FACULTY ARE SILENT.

Silence reigns supreme in the realms of the faculty when base ball is mentioned. Not a word has been received in answer to the Senior challenge, not a move has been taken. This method seems very queer and can not be understood. As the Faculty-Senior base ball game has been a custom in Allegheny for some time, what explanation is to be given for this untimely inaction? If the game is to be played, it is certainly time to make arrangements for it, as the busy times of the end of the year are rapidly drawing near.

The Seniors are anxious to keep up the old custom and desire to hear something definite from the challenge. Such customs make a spicy variety in college life and should not be allowed to fall by the wayside. They are conducive to college spirit, a thing which is very essential in college life. And of all people who are and should be interested in Allegheny, the faculty should be in the front rank. Everything should be done to keep Allegheny fully up-to-date in every respect, and if the faculty fail to respond to this custom, which is kept up at so many institutions, they may be brought up and convicted at the bar of loyalty for conspiracy in stealing away college spirit.

ATHLETIC LEAGUE BOARD MEETING.

The annual Board meeting of the Inter-Collegiate Athletic League was held Friday, May 17, at New Wilmington. The meeting was called at 1 o'clock with Prof. Morgan Barnes, of Westminster, in the chair. The representatives present were: Geneva, J. H. Thompson, S. H. Cregg and A. W. Leach; Westminster, Prof. Morgan Barnes, W. J. Williams and W. B. McCrory; Allegheny, Prof. Martin Smallwood and F. W. Blaisdell.

Very little was done besides the routine business. The purchase of pennants to be played for by the foot ball, basket ball and base ball teams was discussed. Some important additions were made to the constitution. A resolution was passed that the League secure official umpires and referees for all games and that the president appoint a committee to arrange the details. It was also resolved that the home team pay all the expenses of such officials for each league game. The president stated that he would defer the appointment of the above committee until some future date.

It was moved that the League secure three unbiased gentlemen to constitute a board of arbitration in all cases of protest or other such disputes, said board to be approved by each member of the league.

It was further resolved that no member of any league team should play on such team for more than four consecutive years.

The following officers for the ensuing year were elected: President, Prof. Morgan Barnes, Westminster; Vice President, F. W. Blaisdell, Allegheny; Secretary and Treasurer, A. W. Leach, Geneva. Meeting adjourned sine die.

Foot Ball Coach

FOR NEXT FALL—A LAFAYETTE MAN SECURED—GOOD SCHEDULE NEARLY COMPLETED—EXCELLENT PROSPECTS FOR THE COMING SEASON.

Through the untiring efforts of Fred Smith, manager for '01, a fine coach has been secured for next fall's foot ball team. After correspondence with several good foot ball authorities and old coaches, it has been decided that Mr. E. N. Eisenberg of Lafayette College, is the best that can possibly be found.

Mr. Eisenberg graduates from Lafayette College this Spring. He has played on the Lafayette foot ball team for four years. His regular position has been tackle, but he was unfortunate in being kept out of a large part of the last season with a bad ankle. But when not being able to play he was used to help coach the team and did very able work in this capacity.

S. B. Newton head coach at Lafayette, says of him: "I have a great deal of confidence in him and always send him to see our opponents play when I can not go myself. In fact, he has the best foot ball head I have met with among the men I have coached. A bad ankle kept him out of the game last Fall and he did a great deal of coaching for me and did it well."

Next Fall foot ball matters will be run on a firmer basis and strict training must be adhere to. The breaking of training rules will be punished by dismissal from the team in every case no matter how good he may be. Above all things, drinking of intoxicating liquors will positively not be tolerated. The above is the sentiment of Mr. Eisenberg Blackboard work will be used at the first of the season to outline and explain the plays, and lectures on foot ball will be given every evening to the squad. It is the plan to begin practice one week before college opens next Fall in order to get the team ready for the season early.

Manager Smith has nearly completed a good schedule of games which will open this season earlier. Besides the best teams in the immediate vicinity, games will be secured with Western Reserve University, of Cleveland, O., Buchtel College, of Akron, O., and Western University of Pennsylvania, of Pittsburg. Washington and Jefferson may be secured. With the material now in school and several good men on the entrance list, Allegheny will easily put out the best foot ball team in its history.

CLASSICAL CLUB.

At its regular meeting last Tuesday night, the Classical Club devoted the evening to a study of several noted pieces of Greek sculpture, Mr. Motten reading a paper on "The Hermes Praxiteles" and Miss Crane one on "The Niobe Group."

Hard Hitting

DONE BY FREDONIA AND ALLEGHENY—DEFEAT FOR ALLEGHENY AT FREDONIA.

The game between Allegheny and Fredonia Normal school at Fredonia, last Thursday, resulted in defeat for Allegheny by the score of 13 to 9. The grounds were in good condition except the outfield which was covered with long grass and the weather was fine. Everything was favorable for base ball and a large crowd was in attendance.

The game started with a spurt on both sides and took the form of an extreme amateur game as both teams seemed to score at will. As the game progressed, this work stopped to a considerable extent.

Rickard started to pitch the game for Allegheny and the opponents had little trouble in hitting his curves. In the first two innings six runs were scored but in the same period Allegheny made eight, so that a fair lead was held.

Neither team added anything in the next two innings. But in the fifth, Fredonia again began to bat the ball, making seven hits in succession from which they netted five runs. This was the fatal inning which setteled Allegheny's fate.

In the box Bunce replaced Rickard who had been hit for about 14 safeties. After the change, not a single hit was obtained from Allegheny and but one score made. But in the meantime Allegheny had not been making any tallies except one in the sixth inning. Had Bunce pitched the whole game the result might easily have been different.

Neither pitcher received good support, one or two wild throws and one or two muffed balls on first base tell a bad story.

The outfield did good work throughout, but the infield showed poor form. Few of the latter seemed to be sure and steady, and were guilty of four bad errors, but the opposite made one more than that.

The game was quite loose and did not give evidence of the snap that should characterize base ball. Every one should be on the alert and should keep his head at all times.

The team, as a whole, is doing better than at the beginning of the season and will soon be able to keep their feet. Indeed, they are doing well and should receive encouragement for their work under their handicapped condition. Another game with Fredonit will undoubtedly end in the extreme reverse. The team returned to Meadville Thursday night.

PHI DELTA THETA ENTERTAINS AT A PLEASANT INFORMAL PARTY.

An enjoyable informal party was given last night at Phi Delta Theta House in which a small company of young people participated. The house was decorated with fraternity colors, ardent and azure, and with flowers.

The feature of the evening was a museum on the third floor, where were displayed Carrie Nation, Sky Pilot, Christian Evidences Illustrated, and several other popular subjects. Light refreshments were served in the dining room. The souvenir of the evening was Carrie Nation's hatchet.

LARGE MEETING.

(Continued from page 1.)

sires the use of one of these courts, he can apply to the owner of the same and get his time assigned.

By motion, it was decided to hold the preliminary games during this week, and the final games of the tournment next week. The preliminaries will probably consume nearly the entire week and promise to be of unusual interest. Of course the finals are always interesting and so little need be said in their behalf.

The interest manifested by the young women is especially gratifying. They received considerable practice by playing in the gymnasium before the pleasant spring weather set in and since then, have been playing almost continually on the college courts. Many of them are playing very good tennis and should take part in the tournament.

Everybody is invited to witness the entire tournament. Come out and see the preliminaries for some of of these are often more exciting than the finals. A crowd of enthusiastic faces will inspire the players and will add much to the success of the tournament. Come one, come all.

LOCAL Brevities

Campus,
Clad in green,
Beauties of nature everything,
Interrupted only by the handiwork of man.

The Kaldron is to be out June 5.

Rev. Mr. Gillette was a college visitor on Saturday.

Miss Zella Horne, of Greenville, visited college friends Saturday.

Senior examinations will occur on Friday, Saturday and Monday, June 7, 8 and 10.

Only one more base ball game at home, which will be with Fredonia on Monday, June 3.

Some of the stumps are disappearing from the campus before the swing of the woodman's ax.

Subscribers will greatly oblige the business manager by promptly paying their subscriptions.

Classical club will meet this evening at 7 o'clock with Prof. Elliott, at his home on Spring street.

Why doesn't the Faculty answer the Senior challenge to a base ball game? Have courage, my boys, to say yes.

Lay up your treasures in heaven, where neither moth nor rust shall corrupt nor thieves break in and steal.

Miss Murray says her French I class is the most promising class she ever had. She failed to designate in what line.

The campus is now being monopolized by the mating of college students. The ravine is ever occupied by these loafers.

Are you getting new clothes for Commencement? Well, boys, the place to get the very latest and best is at Mendel Bros.

Attend the tennis tournament. It will be interesting. Matches will be played on the Phi Gam court and the North Street court.

The two-seated chairs that formerly adorned our campus are now conspicuous by their absence. Inducive to toescopia, possibly.

Gymnasium work closed to-day for the term. It is supposed that the young men can now exercise by taking long toescopic walks about college hill.

There is a lag in the practice of the track team in as much as no outside meet will be held. This is to be regretted as we have some good men who could do first class work in an inter-collegiate event.

Dr. Krantz, of Newark Conference, was in chapel Saturday representing the Methodist Book Concern. He gave a very humorous talk in regard to the new Bible dictionary which is now being put out. Quite a number of young men met him after chapel to talk about canvassing for this book.

The regular routine class work in Christian Evidences closed Saturday. The remainder of the time will be taken up by Dr. G. L. Mars, who delivers eight lectures before the class.

Dr. G. E. Mars, of Evanston, Ill., formerly professor of English and Philosophy in the University of South Dakota, will deliver eight lectures before the class in Christian Evidences, commencing to-day. While here he will deliver three lectures on Dante before the entire college. These lectures will be of very high order.

Schumann-Heink Coming.

THE GREAT CONTRALTO WILL SING HERE—WILL GIVE SIX NUMBERS IN THE ANNUAL COMMENCEMENT CONCERT, AT THE ACADEMY OF MUSIC, JUNE 18.

A contract was made by telegram Friday by the Academy of Music management and Allegheny College Glee Club with the world's greatest contralto singer, Madame Schumann-Heink, for a song recital at the Academy of Music, Tuesday, June 18. It will be given in conjunction with Allegheny College Glee club as the second annual Commencement concert. Madame Schumann-Heink's fame as a contralto singer is world-wide, and no one disputes her preeminence. She has for several years been the principal Wagnarian artist at the Metropolitan Opera House, New York. She is accepting a few recital engagements this spring, finishing her song tour as principal soloist at the Pan-American Music Festival, Buffalo, the week following the Meadville engagement. The price paid her is the largest ever paid an artist for an engagement in this city, and the event easily the greatest, musically, since the engagement of Christine Nillson, in the early seventies. Madame Schumann-Heink promises six numbers on the program, and is said to be generous of encores.

THE LIGHT OF THE WORLD
or
OUR SAVIOUR IN ART.

Cost nearly $100,000 to produce. Contains nearly 100 full-page engravings of our Saviour and His Mother by the world's greatest painters. True copies of the greatest masterpieces in the art galleries of Europe. Every picture is as beautiful as a sunrise over the hilltops. Contains description of the paintings, biography of the painters, the names and locations of the galleries in Europe where the originals may be seen. Also contains a Child's Department, including a Child's Story of the Christ and His Mother, beautifully written, to fit each picture. This wonderful book, matchless in its purity and beauty, appeals to every mother's heart, and in every Christian home where there are children the book sells itself. Christian men and women are making money rapidly taking orders. A Christian man or woman can in this community soon make $1,000 taking orders for Christmas presents. Mrs. Waite, our agent in Massachusetts, has sold over $3,000 worth of the books in a very short time. Mrs. Sackett, our agent in New York, has sold over $1,500 worth of the books in a very short time. The book is printed in velvet-finished paper, beautifully bound in Cardinal Red and Gold, and adorned with Golden Roses and Lilies. It is, without doubt, the most beautiful book of this century. Write for terms quickly and get the management of that territory. You can work on salary or commission, and when you prove your success we will promote you to the position of Manager and Correspondent, at a permanent salary, to devote your time to attending to agents and the correspondence.
