Miss Ida M. Tarbell
Hotel Schenley
Pittsburgh, Pennsylvania

Dear Miss Tarbell:

We wish to take this opportunity to again express to you our appreciation for your attendance and contribution to the program of the dedication of the Manship Heroic Bronze Lincoln Statue held in Fort Wayne last Friday.

From the many comments we have heard concerning the dedication exercises we are led to believe that it was a highly successful event for which we are indebted to you and others who attended.

Since you were one of our guests, we want to defray your expenses to and from Fort Wayne. May we have a memorandum of these expenses at your early convenience.

Very cordially yours,

J. L. Rowland
Secretary
