

March 10, 1927.

Dear Bart:

Won't you thank the gentlemen from
your church who sent me the Lincoln story,
copied from an "Exchange." It has value.
I have an indistinct recollection of hearing
something of its kind before. Sounds like
Lincoln. I am going to run it down.

Sincerely,

Dr. Maitland Bartlett,
311 East 17th St.,
New York City.
