New York City.

My dear Miss Tarbell:-

In answer to your letter of June 11th, would say that we have a picture of the State House as it appeared at the time of President-elect Lincoln's visit to Trenton in 1861 and we will have a photograph of the same made for you. This we will send you as soon as it comes from the photographer's.

There is no tablet in or about the State House, or anywhere else in Trenton, that we know of commemorating Mr. Lincoln's visit to Trenton. The daily papers of Trenton of that period, which we have on file in the State Library, contain accounts of Mr. Lincoln's visit and of his appearance before each of our legislative bodies. In one case, a complete text of his address, which is rather short, is given, and in the other case there is a complete synopsis.

Yours very respectfully,

F Elroy Cadmus

JPD/CDG STATE LIBRARIAN.
