

191 FRESHMEN NOW ENROLLED

INAUGURATION DATE SET FOR OCTOBER 9

DEDICATION OF LIBRARY TO FOLLOW PRESIDENT'S INAUGURATION, OCT. 10

Plans for the two-day program in connection with the inauguration of Dr. William Pearson Tolley as President of Allegheny College are rapidly taking form and will soon be completed.

The two days, Friday, October 9, and Saturday, October 10, will be remembered as two of the greatest in Allegheny's history. The inauguration ceremonies will take place Friday, while Saturday's program will be filled with the formal opening of Reis Library and all the customary events of Home-Coming Day.

From 9:00 Friday morning until 10:30 there will be a meeting of the Association of College Presidents of Pennsylvania in the Board of Trustees room in Bentley Hall. This group will be entertained at noon at a luncheon in Cochran Hall. The Trustees of the College will meet at the Kepier Hotel at 11:15 where they will remain for for luncheon at 12:00 noon. The various delegates will dine Friday noon at the Lafayette Hotel.

The inaugural exercises will begin Friday afternoon at 2:30. Dr. Ezra Squier Tipple, President of Drew University from 1912 to 1929, will deliver a personal charge to Doctor Tolley, after which Andrew W. Robertson, Chairman of the Board of Directors of the Westinghouse Electric and Manufacturing Company of Pittsburgh, will deliver the charge on the part of the Trustees and the College. President Emeritus William H. Crawford has been selected to pronounce the benediction. Mr. Andrew A. Culbertson of Erie, Pa., will preside at the inauguration ceremonies.

Friday evening the delegates will meet at Hulings Hall for a banquet at 6:30, at which Hon. Frank P. Miller will be toastmaster. The invocation is to be delivered by Frank Glenn Lankard, present dean of Brothers Col-

lege at Drew University. Miss Ida M. Tarbell will speak, representing the Alumni, and Chancellor Charles Wesley Flint will speak, representing Syracuse University. The remaining speakers on the evening's program will be Dr. John Jacob Coss, Executive in the Department of Philosophy and Director of the Summer Session at Columbia University, and Hon. James J. Rule, Commissioner of Education for the Commonwealth of Pennsylvania.

The program for Home-Coming Day will begin at 10:30 Saturday morning with the formal opening of the William Edward Reis Library. Dr. William H. McMasters of Mt. Union College will deliver the invocation and will be followed by President Emeritus William H. Crawford, and Dr. William Warner Bishop, Librarian at the University of Michigan and Chairman of the Advisory Committee on Libraries for the Carnegie Foundation. President Tolley will preside at the morning program.

The Allegheny Singers under the capable direction of Prof. Morten J. Luvaas will sing several numbers from their repertoire at the banquet Friday evening and also at the opening of the Library. Providing the weather is suitable the latter program will be held outdoors. A special platform is to be constructed at the foot of Library hill so that the speakers will be facing the Library and the audience will be on the hill with their backs to the Library.

Saturday noon the Alumni will be entertained at a buffet luncheon at Cochran Hall and afterwards at the Allegheny-Westminster football game.

As yet there is no definite plan for anything following the football game. The complete program containing a complete list of the speakers and gatherings will be printed as soon as these matters have been definitely settled.

STUDENT SENATE FUNDS IN HANDS OF MR. REID

Move Made as Result of Undergraduate Agitation.

A compromise between the Student Senate and President Tolley which resulted in almost a complete reorganization of the student governing body came as an aftermath to the sale of Freshman caps last Friday afternoon in Cochran Hall. Believing that the price of two dollars was too high and that no satisfactory account has ever been made of this revenue, the Freshmen and several upperclassmen showed disfavor with the practice and succeeded in arranging a meeting between Dr. Tolley and representative members of the Student Senate. In the meeting that followed, it was decided that the sale of "dinks" would continue at the original price but that the money would be turned over to D. B. Reid, the college treasurer, who would not only see that the proceeds would be used for the benefit of the freshmen but would act from now on as the active treasurer of the Student Senate. The office of Senate treasurer would still be continued as only a nominal one, Mr. Reid handling all the funds of the group.

For several years dissatisfaction has been shown concerning the practice of selling Freshman caps at an exorbitant price. Last year, the cost of "dinks" was reduced to \$1.35—a figure within the range of almost every member of the class. The outbreak of last week came as a result of the increase during a period in which practically every member of the student body is affected by the depression. Although up to the time of printing The Campus no change in price has been made, the students are at least certain that the proceeds from this sale will be used for the benefit of the contributors.

Largest beneficiary in the will of the late Mrs. Emma Aldrich of Salina, Kan., was Kansas Wesleyan University. Mrs. Aldrich left the school a \$5,000 scholarship fund and a residence which, executors estimate, will probably net the University \$4,000.

PROFESSOR LUVAAS MAKES MANY PLANS

Intends to Enlarge Personnel of Famous Singers.

Organization of a vocal training class—a sort of "second team" to the Allegheny Singers—features Professor Morten J. Luvaas' plans for his voice students during the coming year. An orchestra will also be assembled this season for the first time in many years.

The main group of the Allegheny Singers is to be expanded to sixty voices. Competitors for the vacant places are now being tested. Of last year's group totalling about 40 persons only a few are missing, and those remaining have already begun rehearsals with an eye to a performance at the inauguration next month of President Tolley. The Singers met twice during the past week, on September 16 and 21, to practice the melodies used last season.

After the best of the new voices have been chosen for the group for the coming season by means of the tryouts now in progress, those who have been rejected and any others who care for training in vocal music are to be organized into a separate group which will also have the advantage of rehearsal with Professor Luvaas.

The band and the orchestra met for organization yesterday.

ALLEGHENY ABANDONS RADIO BROADCASTS

At the present writing there is no definite plan for a radio broadcast schedule during the school year, 1931-32. It has already been decided fairly certainly, however, that the program followed last year will not be continued this year. Allegheny will not broadcast over station WLBW at Oil City, and the probability of broadcasts from a larger station or a hook-up is very slight.

Geneva College track teams have held the Tri-State Championship since the formation of the conference.

ADMINISTRATION GRATIFIED BY MATRICULATION OF VERY LARGE FRESHMAN CLASS

Advance predictions of a considerable enrollment of new students for the current term were well fulfilled, with one hundred and ninety-one freshmen enrolled to date. Of these, one hundred and four are men, slightly outnumbering freshmen women.

Cancellations have been noticeably few in number; there are at present two more registered in the freshman class than were listed on August 1.

Upper classmen and women total three hundred and ninety, bringing the total number registered to 581, as compared to 590 at this time last year.

The Freshmen:

Frank M. Anderson, Jamestown, N. Y.; Mildred Jane Anderson, Brookville; Jerald Leo Angove, Akeley; Betty H. Ashe, Bellevue; Fred R. Ashe, Jr., Kittanning; Richard Nelson Ball, Conneautville; Mae Banker, Pittsburgh; Charles Louis Bartsberger, Pittsburgh; James Barnew Bain, Pittsburgh; Elizabeth Jane Beach, Perrysville; Charles Willard Berger, Homestead Park; Jessie Mary Bitler, Meadville; Jane Blair, Dubois; Betty Weller Blake, Cleveland Heights, O.; Ray Joseph Blauer, Sharon; Nancy Mohan Boobyer, Dormont; Donald Worcester Bortz, Greensburg; Ira David Bowser, Reynoldsville; Phyllis Elaine Bromer, Sheffield; Dana Currier Brown, Jefferson, O.; Frank David Brown, Meadville; Letta Louise Bryant, Spartansburg; Emily Stewart Campbell, Pittsburgh; John Calvin Carver, Beaver; Richard Cessna, Trafford; Marguerite Clark, Mount Pleasant; Richard Huthrie Clark, Franklin; Rosemary Jane Cooper, Mount Pleasant; Hugh Corbin, Warren, O.; John Corcoran, Dormont; Nevin Augustine Cort, Jr., Mount Pleasant; Clair James Cowles, Sugar Grove; Robert Gordon Cutshall, Cochranville.

Jane Louise Dasher, Erie; Robert Smith Davidson, Warren; Sarah Ann Davis, Kane; Delos Fred Dean, Meadville; Dorothy Ann Demmler, Allison Park; Richard A. Marsh Dentler, War-

ren; Rodney Walter Devore, Meadville; Clarissa Jane Duff, New Castle; Jack Thompson DuMars, Upper Darby; John Edwards, Emlenton; Robert Eugene Edwards, Emlenton; Virginia Eicher, Mount Lebanon; Paul Raymond Elder, New Castle; Geraldine Maud English, Asbury Park, N. Y.; Julius Oliver Erickson, Ashville, N. Y.; John Joseph Euliano, Meadville; Lynn Edward Fieger, Pittsburgh; Louise Wadding Pink, New Castle; Kenneth Fredrick Bard Fiesel, Cleveland Heights, O.; Olive May Forman, Saegertown; Edward Robinson Franklin, Saltsburg; Jane Anna Fuhs, Dormont; Elzeur Luella Fulton, Clearfield; Edward Clifford Gaisford, Chicago; Madge Larene Gardner, New Castle; Philip Delmont Gelbach, Evans City; John Powell Gilmore, Crafton; Mary Anne Elizabeth Glass, McDonald; Mildred Louise Glickler, Pittsburgh; Robert Francis Goring, Corry; Jane Rosevear Gray, McKeesport; Earl L. Green, Meadville.

Robert Cox Hamilton, Meadville; Robert P. Hannum, Bradford; Tom Colley Hawkins, New Castle; Jane Hawkins, New Castle; John Michael Helmstadter, McKeesport; David Walker Hill, Jr., Bloomfield, N. J.; F. Elizabeth Hill, Pittsburgh; Richard Ernest Holden, Meadville; Harriet Moorhead Hutchinson, Kittanning; Chester Boyd Jiles, Butler; Robert Doyle Jackson, Oil City; John J. Johnston, Farrell; Catherine Lucile Johnston, Butler; Samuel Wentworth Johnston, Ben Avon; Elliott Rodger Jones, Sharon; Melera E. Jones, Edinboro; Ernest James Joslin, Lundys Lane.

Warren Roth Keck, Jr., Greenville; Emma Marguerite Kelley, Mount Jewett; George Earl Kelley, Mount Jewett; Jean Aleatha Kelley, Blairsville; William Blair Kennedy, Bridgeport, Ohio; Mary Jane Kiebert, Meadville; Robert Arthur Krider, Meadville; Laura Espy Kietz, Bellevue; Max Ward LaBorde, Du Bois; Norman (Continued on page 4).

TEN NEW INSTRUCTORS ADDED TO THE FACULTY

Ten new instructors and assistant professors were added to the teaching staff of Allegheny College for the year of 1931-32.

C. W. Skinner, M.S., M.D., assistant professor of biology and director of health. Dr. Skinner is a graduate of Allegheny, class of '21, and also gained his M.S. degree here in '23, working as an instructor in biology at the same time. He then did further work toward an M.D. degree at Northwestern University and Chicago University. Before completion of his studies he accepted a position at the Medical College of Virginia, at Richmond, where he taught anatomy and was assistant to the Dean, but later he returned to Chicago and received his M.D. from Rush Medical College of the University in '29. He then spent a year as interne at Allegheny General Hospital in Pittsburgh before spending another year at Richmond in his previous position, resigning this year to return here. In addition to his work as assistant professor of biology, in which he will lecture on comparative anatomy and histology, his work as College Health Officer is an innovation in the local school. In this capacity Dr. Skinner will make a thorough physical examination of the students at the beginning of the college year, and will maintain office hours for student consultation.

B. R. Beisel, B.S., assistant professor of mathematics. Mr. Beisel is also a graduate of Allegheny, class of '14. After six years of non-academic work he returned to Allegheny as a member of the mathematics departments from 1920 to 1923, going then to Cornell University, where he was an instructor in the mathematics department and pursued graduate work. For the past two years he has been in charge of mathematics at the Uniontown center of the University of Pittsburgh. Mr. Beisel will teach several courses of the Allegheny mathematics department.

P. H. Giddons, Ph.D., assistant professor of history and political science, is a graduate of Simpson College (Iowa) in 1924, and received his M.A. degree from Harvard in the University of Iowa in 1930. He was an instructor while taking his work at Iowa U., and

last year taught at Oregon State College.

Arnold Zemple, A.M., assistant professor of economics and sociology. Mr. Zemple is a graduate of the University of Wisconsin, '27, and received his M.A. from the same school in '28. For the past three years he has been an assistant in the economics department there, meanwhile working towards a Ph.D. degree. He will introduce a new course in business statistics in Allegheny, and will also teach money and banking and general economics.

R. A. Finney, A.B., instructor in economics and sociology. Mr. Finney graduated from Butler University (Indianaapolis, Indiana) in 1928, and was assistant at the University of Chicago during the last two years while taking graduate work there.

F. F. Seely, A.M., instructor in English literature. Mr. Seely was graduated from Dartmouth in '26, was in newspaper and publicity work in Florida and Washington for four years, and received his M.A. from Harvard this Spring. He will lecture in introductory courses in Allegheny.

W. R. Locke, S.T.B., instructor in English language and Bible. Mr. Locke is a graduate of Wesleyan University, class of '28, and received his S.T.B. degree from Boston University this Spring. He will teach several sections in both English Language and Bible.

J. W. Hulbert, A.B., instructor in speech. Mr. Hulbert is a graduate of Ohio University, class of '30, and has studied dramatics at Carnegie Tech and at Western Reserve. During the last year he also was in charge of the Painesville (Ohio) Little Theatre. At Allegheny Mr. Hulbert will give instruction in the play production courses of the speech department, and will assist in the production of the Little Theatre plays.

Arthur Daniels, B.P.E., instructor in physical education. Mr. Daniels is a graduate of Springfield (Mass.) College, class of '31, Springfield is a physical educational college, and in addition to taking the regular work there Mr. Daniels was a regular tackle on the football team and a member of the boxing team. He will assist Mr. Way in handling the physical education. (Continued on page 4).

GRAFT MUST GO.

In recent years there has been much writing, quibbling, charging and counter-charging over the several opportunities for petty graft which no Alleghenian will deny exist on this campus. It is needless to restate the fact that the majority of these charges have been leveled at the Student Senate, a rather defunct organization whose powers have never been carefully defined.

Our quarrel is not with the Student Senate, but with a few of the members of that body, who style themselves politicians, and with their rather crude and brazen methods attempt to bleed the student body. One of the most flagrant of these attempts is evident at the present moment, with the freshman "dink" coming into vogue. Taking matters into their own hands and using the rather tarnished name of the Student Senate these "big shots" proceeded to sell a cap which cost in the neighborhood of fifty cents, for the exorbitant price of two dollars. In an attempt to reach the source of the graft, The Campus discovered that more than half of the members of the Senate knew absolutely nothing of what was being done. Furthermore, the matter was taken completely out of the hands of the original committee without any semblance of official action. When asked to justify their position, the haberdashers merely whined that song of the ages, "I paid three dollars for mine." Other than that flimsy statement their fortifications are decidedly a minus quantity.

Evidently sensing the fact that The Campus would make a move to block their efforts, the cap-sellers decided to place the "dinks" on sale before the first issue. The matter was taken up officially, with the result that the caps will continue to sell for two dollars, but the proceeds will be placed in the hands of the Treasurer of the College and the money used for the benefit of the Freshman Class. The Campus has accomplished its object. It maintains, however, that the price is out of the question, but with the graft eliminated, the matter rests in the hands of the Freshman Class. If the Frosh see fit to refuse to purchase "dinks"—well enough.

The Campus has pledged itself to purge the College of petty graft, which has never been of benefit to a soul, and is anything but conducive to a healthy campus atmosphere. To accomplish this object The Campus will stop at nothing. If a general expose is necessary, that expose will be forthcoming. This is not to be construed as a threat but as a plea to the reason of every student and member of the faculty whose first consideration is a better Allegheny.

Sophomore Committee Decides to Eliminate Unorganized Razzing

At a meeting of a committee composed of one sophomore from each fraternity last Saturday evening, it was decided that unorganized freshman hazing would be dropped by the sophomore class for the present year. The committee, with Ronald E. Gregg, incumbent president of the class of 1934, as chairman, is composed of the following men: Ernest Rossel, Arch Young, Frank Helfrick, Paul Teamen, Arthur Crawford, William Olson, Melvin Meadowcroft, and William Hershelman.

Believing that the sophomore class,

as a whole, does not wish to participate in freshman "razzing," the committee decided that the members of the class of '34 would not engage in any after-chapel hazing, but would merely cooperate as much as possible with the Student Senate in keeping the tradition of having freshmen wear "dinks," black ties, and black socks and in promoting a Freshman-Sophomore field day in the near future.

This movement has the endorsement of every fraternity on the campus, of the Student Senate, through its president Jack McDonald, and of Dr. J. R. Schultz, Dean of Men. In organizing this committee, Gregg believes that he and his group may meet with some difficulties because of the novelty of such action at Allegheny but that it is a significant step in accordance with Allegheny's new progressive attitude.

DR. TOLLEY ANNOUNCES SEVERAL NEW POLICIES

With the athletic budget shattered beyond repair, and the plans for financing of academic activities probably thrown far out of line, Dr. Tolley promises for the opening year of his administration a program of rigid economy. Although determination of the exact deficit in prospect must await the completion of registration the new president is already busy taking up all reasonable slack in expenses. Among the student activities affected are publications and All-College dancing parties.

As one means of restoring the budget to health President Tolley proposes to do away with what he terms "legal graft." Declaring that it has always been an open secret that All-College dances, handled in the past by the Men's Senate, have produced revenue which was never satisfactorily accounted, the incoming executive announces his decision that the college may as well profit by the income from these parties. Inasmuch as these functions take place in college buildings, the administration is of course entitled to exercise supervision.

Present plans for the conduct of all-college social gatherings places the matter in the hands of the Athletic Committee, composed of Dr. Henry Ward Church, chairman; and Professors Horace T. Lavelly and H. Paul Way.

occasions and in response to any other particular need.

Fundamentally, however, Dr. Tolley reveals that present economic difficulties facing the administration furnish the means to an end which he had intended to achieve in any event, but more gradually. "I want to see all activities on an amateur basis," he stated. "In campus parlance, 'legal graft' is the aim of too many undergraduate politicians. That sort of thing has to go."

Discontinuation of the former custom of furnishing The Campus free of charge to all alumni is another important plank in the new executive's platform. This change is expected to save at least \$1000.

In this case as in others, however, the innovation is no mere emergency measure, but a carefully framed part of Dr. Tolley's policy. Student opinion and graduate attitudes often disclose divergent points of view, he believes. The alumni is too easily scandalized by student reactions as revealed in their publications; he tends to take things too seriously. In fact, under the past system, Dr. Tolley feels that there is constant danger of censorship, a fate from which he wishes to shield undergraduate opinion. Moreover, the alumni body will be sufficiently accommodated by further developments will be given on the customary of the Alumni Bulletin.

The Campus

of Allegheny College
Established 1876

Entered as second-class matter, October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of March 3, 1879.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and all arrearages are paid according to law. Subscribers are requested to inform the manager of any change of address.

Subscriptions \$1.50 a year. Single copies 5 cents.

Member of the Intercollegiate Newspaper Association
of the Middle Atlantic States.

WELCOME, DR. TOLLEY

To you, Dr. Tolley, we, the students of Allegheny, extend our most sincere welcome as you take up the duties of president of our beloved college. With your induction into office, we are in no small way quite hopeful and expectant of a new era in the history of Allegheny. Your record in previous institutions has caused us to place the utmost faith in your ability and feel certain that at last Allegheny is to rise from its lethargy and take its place among the leading colleges of the country, ranking with them in every respect and not only in scholastic ratings.

The college has been lifeless for some time, Dr. Tolley. What is the exact cause, we do not know. Perhaps the students are too sophisticated and blasé; perhaps there is the wrong attitude among the fraternity groups; perhaps every student who enters the college is of an indifferent character, willing to let matters stand as they stood in years past. But we do not believe so.

We are firmly convinced that the college and the students herein are among the best in the collegiate world. The correct method of administration and a feeling of trust between the students and the faculty—a trust that will mean friendship and companionship between the two groups—are all that is needed, we believe, to reach our desired goal. What you have done so far in connection with your position has been most commendable. What you will do in the future will mean the success of Allegheny as a college.

So we welcome you, Dr. Tolley, with a plea and a promise—a promise of our cooperation with you in all your endeavors. Your youth, your experience, and your progressive attitude is being counted upon to bring Allegheny College to the foreground of educational institutions.

SANITY UNDER STRESS

The testing time for administrative enterprise has ever been the moment of stress, and it is at a critical period that Dr. William P. Tolley assumes the presidency of Allegheny. In the backwash of a world-wide economic depression the college budget has been thrown far off keel; the emergency requires a strong and experienced hand at the helm. Fortunately evidence points already to Dr. Tolley's strength as an executive. One must bear in mind, however, that no matter how urgent a situation may become, the sane conduct of affairs demands painstaking scrutiny of a prospective remedy to make certain that it will not aggravate the condition it is intended to cure. With those who see inexperience as the invariable accompaniment of youth, no doubt there exists some trepidation at the thought that the new president has just turned thirty years of age. It is evident, however, that Dr. Tolley is not to be stampeded into any ill-considered action.

In determining to discontinue sending The Campus to alumni for example, he reveals a deliberate policy. College finances benefit immediately, with a thousand-dollar slice out of the year's deficit. The graduate interested in campus events, moreover, need not feel himself abruptly cut off from Allegheny's affairs, for the Alumni Bulletin can and—we have Dr. Tolley's word for it—will be made adequate as a register of news. In its turn The Campus itself expresses gratitude for the new executive's faith in the necessity of an uncensored student opinion, and for his means of avoiding the possibility of a serious dilemma: any college president's strongest convictions receive a severe trial under the influence of alumni pressure.

Again Dr. Tolley's farsightedness is apparent when, as explained elsewhere in this issue, he demands that useless campus activities contribute to the general cause. His action in passing control of All-College dances to the Athletic Committee of the faculty is no hasty measure of relief, but a conveniently timed blow at a system of petty graft which, insignificant though it may be, is out of tune with the best interests of the college. If the cultural function is to broaden the mind, its purpose is aided by the elimination of one more attraction to "little" men. The Campus welcomes recognition of the need of "amateur activities."

CAMPUS CLIPPINGS

Miss Nora E. Evans for three years dean of girls, principal of the high school, and director of physical education for girls at Hamilton, Montana, will assume the duties of dean of women at Gooding College this fall, filling the vacancy caused by the tragic death this summer of former dean Edith P. Barrett.

Colorado's mountain peaks, lakes and canyons will soon provide a vast scientific laboratory for a new series of cosmic ray experiments. The experimenters will be Scientist Arthur H. Compton of the University of Chicago; Scientist Joyce C. Stearns, University of Denver physicist; Prof. R. D. Bennette of the University of Chicago, and University of Denver student Wilcox Overbeck, Paul Barth, and Carl Hedberg.

From the confidential statistical reports of the Inter-fraternity Conference the following data relating to the scholastic standing of the fourteen fraternities that have fifty or more chapters has been selected, viz: Alpha Tau Omega, Beta Theta Pi, Delta Tau Delta, Delta Upsilon, Kappa Alpha Order, Kappa Sigma, Lambda Chi Alpha, Phi Kappa Alpha, Sigma Alpha Epsilon, Sigma Nu, Sigma Phi Epsilon, Sigma Chi, Phi Gamma Delta, and Phi Delta Theta.

A few years ago forward looking American colleges were pioneering with a new educational experiment—Freshman Week. This year Mount Union College is pioneering in abolishing the experiment, which has now become an institution in American higher education.

Alumni Notes

Mr. and Mrs. George Breckenridge Anderson have announced the marriage of their daughter, Georgette Breckenridge, to Mr. Charles Merritt Clark, on Friday, May 29, at Saint Paul's Church, Brooklyn, N. Y.

Mr. and Mrs. G. A. Stetson, of the Class of 1919, have a baby girl, Elisabeth, born on May 22. Mr. and Mrs. Stetson are living in Titusville, where Mr. Stetson is Superintendent of Schools.

Born, to Mr. and Mrs. G. Donald Schade (Katherine E. Haines, '25), February 20, a daughter, Dorothy Ann. Mr. and Mrs. Schade live in Warren, Ohio.

John S. Ekey, ex-'05, formerly supervisor of structures with the Bessemer and Lake Erie Railroad, was recently appointed engineer of bridges with the same organization.

Born, to Mr. and Mrs. Carleton J. Curtis (Mildred Button, '26), on May 26, a son, James Carleton. Mr. and Mrs. Curtis live in Columbus, Pa.

T. H. Mackintosh, '25, is now at 10 Oak Park Road, Asheville, N. C.

Norman E. Phillips, of the class of 1916, was recently elected to Sigma Xi at Cornell University. Mr. Phillips received his Ph.D. in June and goes this fall to an assistant professorship of zoology at the University of Maryland.

Born, to Mr. and Mrs. N. H. Boyd (Olivia Widdowson), of Punxsutawney on October 12, 1930, a daughter, Barbara Ann.

Born, to the Reverend and Mrs. Durward B. Brown, of Wheeling, W. Va., a son, Foster Lloyd Brown, on May 26. Mr. Brown was of the class of '20.

FACULTY MEMBERS SPEND INTERESTING SUMMER

Dr. Lee Studies with Einstein; Several Go to Europe.

Allegheny's professors spent their sabbatic leaves of absence and summer vacations in greatly diverse manners. Several professors traveled and studied in Europe or in this country. Others taught in Allegheny's Summer Session, and some vacationed at summer resorts.

Dr. Elliott is one of the professors who is returning from sabbatic leave, after spending a year in travel and study abroad. He spent the time in visiting a large number of cities and places of interest in Italy, Greece, Austria, France, and England. He studied the many rich collections of art to be found in the museums of the large cities.

Dr. Lee also is back from sabbatic leave, having studied during the past semester at the California Institute of Technology. Dr. Lee studied new theories from a physico-chemical standpoint in cooperation with, and under the tutelage of many of the foremost technologists, Einstein included.

Dr. Church spent his summer vacation abroad. He went to Paris by way of Norway, Sweden, Denmark, and Germany. He spent five weeks in Paris working at the Bibliothèque Nationale on two French books which he is editing. The titles of the books are "Les Bois de Templier Pendu" by Henri Beraud, and "Le Prisonnier Chanté" by Comte De Gobineau. Dr. Church returned to the United States by the way of Naples, Palermo, Algiers, Lisbon, and the Azores Islands.

Professor Shultz was the General Chairman of the Redpath Chautauquas all through New York and New England States.

TEMPTING ITEMS

are offered in the Following Lines:
SPALDING Athletic Goods (exclusive agency).
LOOSE-LEAF Note-Books (one with college seal).
BEAUTIFUL new Fountain Pens (ask to see them).
DIE-STAMPED College Stationery (at moderate prices, too).

Society

With the annual event of fraternity rushing, pledge parties, and the like, the social season at Allegheny once more swings into action. At the conclusion of the rushing periods, both Sigma Alpha Epsilon and Phi Delta Theta presented a pledge dance. In addition, the faculty men held their annual picnic-outing on Friday afternoon.

FACULTY GET-TOGETHER

On Friday afternoon and evening, September 18, the men of the Allegheny College faculty, including the higher officials of administration, held their annual picnic and get-together on the grounds of the famous Bousson haunted house. The marvelous success of the picnic was well portrayed the following day by the noticeable and painful limps which were perceived about the campus.

In the afternoon, the faculty donned their old clothes and played an exciting baseball game which was full of the thrills that a big league game gives one. Their supper, which was cooked by campfire, was immensely enjoyed also. In the evening, Dr. Darling, with the aid of Dr. Schultz, related the woeful mystery of the haunted house. No more can be added except that a good time was had by all.

PHI GAMMA DELTA

Phi Chapter of Phi Gamma Delta held a five couple party at the house on Tuesday, September 15th. Mrs. C. A. Darling acted as chaperone for the evening during which there was card playing and dancing. Guests included Misses Blake, Hill, Roos, Klinger, and Davis, and Messrs. Kennedy, Peterson, Ralston and Scott.

SIGMA ALPHA EPSILON

Sigma Alpha Epsilon held a pledge party at the house on Saturday, September nineteenth. Mr. and Mrs. Harley Morris acted as chaperones. Guests included Messrs. Minnis, Ledger, Hartman, Daily, Smith, Scott, Winters, Peterson, Kennedy, Brown, Ashe, Bloomgren, Martin, and Serene.

PHI DELTA THETA

Friday evening, September 18, Phi Delta Theta presented its first chapter party, which was given in honor of its recent pledges. Dutch Kress and his Olympians furnished the music. Chaperones were Mr. and Mrs. R. E. Piper, of Pittsburgh. Guests of the chapter were Myrl Dunlap, Conneautville; Dr. Ellsworth, Meadville; Robert Davidson, and Robert Hershey.

Students under eighteen years of age are not allowed out on the streets after 9 p. m. at the University of Omaha.

NOTICE

There will be a meeting of The Campus staff this afternoon at 1:15 and sophomore men and women in Room 13, Ruter Hall. All freshmen interested are asked to be present.

MUCH REPAIR WORK IS DONE DURING SUMMER

Building Crew Concentrates on Addition to Reis Library.

Under the supervision of Mr. E. R. Porter the building crew has put in a busy summer at the miscellaneous jobs of repair and rejuvenation always necessary at the close of a school year. The principal tasks toward constructing the addition to Reis Library were also accomplished, although the work is still unfinished.

The remaining jobs on the Library are being pushed as rapidly as possible, for dedication of the building features the program of October 10, the day following the inauguration of Allegheny's new president. Necessary painting jobs, however, must await weathering of the plaster. Among the most prominent changes in Reis Library one may well note the construction of the charging room, with its octagonal desk in the center, conforming to the periphery. The catalogue cases set in flush with the wall also merit attention. The floor is finished in a two-tone hantile in dark shades matching the tables and woodwork.

The large room formerly used for reference work is being continued as a study for the time being, but will later be converted to a periodical room.

The home of former President Beebe during his residence in Meadville has been remodelled to serve as a dormitory for freshman girls. "Beebe House" accommodates eighteen young women in a building furnished with the best equipment attainable. The beds, three-quarter width, are furnished with "Slumber King" sagless springs, making with the "Beauty Rest" mattress a combination of supreme comfort. Dressers and all similar equipment is entirely of Simmons steel. In addition to the student living quarters, Miss Cora LeRoy, faculty supervisor, is provided with a suite at the front of the house.

Chief among the activities at other college dormitories were the construction of an addition to Hammett House in order that Miss Ludwig may have a complete suite, and the provision of fifty new dressers for Hulings Hall. One hundred dressers were distributed at the Hall last year, and the present additions to the supply completes the plan to secure all new bureaus.

The gymnasium has been entirely renovated, painted throughout and restored to excellent condition. The swimming pool in particular claimed the attention of the repair workers. The athletic field also displays a set of new steel goal posts.

Offices for Dr. Skinner, new resident physician, have been installed at Alden Hall. A waiting room, an inner office for conducting physical examinations, and a private laboratory are included among his furnishings.

A written examination in tennis was recently given at Williams College to students taking physical education.

NEW MEMBERS ELECTED TO BOARD OF TRUSTEES

Dr. C. F. Ross Selected as Vice President of College.

In recognition of his services to Allegheny College over a period of nearly forty years, Dr. Clarence Frisbee Ross was selected to be Allegheny's new Vice-President. Since the office of Vice-President has not been in existence here since 1909, it can almost be spoken of as a new departure, and the fact that Dr. Ross was selected for this position speaks well for the regard in which he is held by the high authorities of the college.

In the Board of Trustees several changes have been made since the Commencement. At the annual meeting in June, Thomas J. Prather, Pittsburgh, was elected Secretary of Board of Trustees, succeeding Addison C. Waid, Cleveland. Also, Leroy Peterson, class of 1913, New York City, and Theodore Thoburn, Class of 1914, Cleveland, were nominated by the Alumni Association to succeed Dr. Robert E. Brown, Albion, Michigan, and Fred Homer, deceased.

Both of these nominees for Alumni Trustees have been successful in their own special fields of endeavor and are highly recommended. The ballot for Alumni Trustees gives the following concise biographies of Messrs. Peterson and Thoburn:

Leroy Peterson, 1913, New York, New York.

Born Kane, Pennsylvania, 1891.

A. B., Allegheny College, 1913.

1913-14-15. Post Graduate work at Columbia University in Economics and Political Science.

1913-14-15. Bureau of Municipal Research, New York City. Studies in Municipal Government.

1915-16-17. Director, Bureau of Crime Prevention, New York Police Department.

1918. Naval Aviation.

1919-23. Banking.

1924-25. Cashier, Amalgamated Bank New York City.

1926-29. Personal Staff of John D. Rockefeller, Jr.

1929. William A. White & Sons, Real Estate.

1929. Secretary-Treasurer of New York Alumni Association of Allegheny College.

Theodore Thoburn, 1914, Cleveland, Ohio.

Born, Calcutta, India, 1893.

Public School Education in Kingston, Ohio, and Portland, Oregon.

A. B., Allegheny College, 1914.

High School Teacher 1914-15.

Engaged in Investment Banking since 1915 with Hayden, Miller & Co., Cleveland, now Sales Manager.

Served with Third Division, A. E. F., in Aisne-Marne, St. Mehiel, and Meuse Argonne campaigns.

The By-Laws of Allegheny College state the following regarding the nomination of Alumni Trustees:

"The Alumni Association of the College shall have the right to make 11 nominations of persons to be elected Trustees to fill the Alumni section of the first group. The said Alumni Association shall adopt its own plan for making said nominations, but the said plan or any changes therein shall be subject to the approval of the Board before becoming effective.

No one shall be eligible to serve as an Alumni Trustee except a graduate of Allegheny College of not less than fifteen years standing. No member of the Faculty shall be eligible to nomination as Alumni Trustee."

COLLEGE SONG WRITTEN BY ALLEGHENY ALUMNA

Alumni Office Receives Letter Containing Manuscript of Contribution.

Miss Mina L. French, c/o Allegheny College, Meadville, Pennsylvania.

Dear Miss French:

I am writing for my mother who received your recent, kind letter, the receipts, and the red copy of The Bulletin.

Mother sends her thanks to you for them all.

In looking over The Bulletin, Mother saw the "Alumni Song"—Allegheny, by M. A. W. Wright, '74.

I reminded Mother of the one she wrote for Allegheny at the time of the 1915 Pageant, but did not find the courage to send it, unasked, for the celebration, which Dr. Arthur L. Bates, an old friend and neighbor, who saw the song later, said was a mistake.

He wrote Mother he would have had it sung at the musical part of the program. Mother had composed music for it.

"When shines the sun on Meadville's fairest hill, Where Allegheny, fine and stately stands;

When in reunion hearts with memories fill, As friendly hand again clasps friendly hand,

Forgotten be all former hurts and wrongs;

Forgiven every careless word or jest; United all in singing cheering songs;

Continued on page 4

THE SCRUBBING BRUSH

"Hello, Carl, glad to see you."

"Have a nice summer?"

"Yeah. You?"

"Yeah."

Thus starts the 117th academic year of Allegheny College, founded in 1815 by Timothy Alden on a campus of 21 acres with 14 buildings, the first being Bentley Hall (cornerstone by Dr. Elliott).

WUXTRA — WUXTRA — WUXTRA

Graft Seen in the Student Senate

Who would have thought it? I. B. Graft was seen walking into the sacred sanctum of the Men's Senate. A close check-up reveals that as yet he has not left the chamber, where he is reported to be conferring with the reverend seigneurs on ways and means of more efficiently governing the student body, a problem with which the Senate has been grappling for some time. Rather disagreeably pungent odors have been exuding from the chambers for some time indicating that all is not well. Well!

Rumors were circulating that noises answering the description of a boiler factory were proceeding from Hulings Hall at about 10:30 every evening. The matter was immediately referred to our ear-to-the-ground department with the resulting report that a vibrator has been in operation at the above mentioned hours in a room on the first floor, the first door to the right of the east entrance. They say meat grinders are good for that, too.

SURE CURE

Purge yourself of that filthy tobacco habit. Our sure fire remedy will positively cure any girl who no longer gets a kick out of smoking. Also free lessons to any freshman girls in the gentle art of puff-puff. Address: Back of the old red barn.

The frats have been busy pledging and reppling and are now about ready to send their men out as activities fodder (or mudder). Soon the familiar ring of "I welcome you into Omicron Delta Kappa" will be resounding, and five more hunchbacks will step up and receive the last straw. Good old Sigh Circle! How many points you got?

If you're thinking of watching the varsity practice you better be careful to keep way back in the stands. A big baddies man down there what chews tobacco and swears will step all over your toes. He'll wiggle the cookie duster at you and threaten to keep you out of the stadium if you come too close. He's just temperamental.

What are our unemployed alumni going to do now that they are not receiving The Campus anymore? They used to amuse themselves by writing letters and holding indignation meetings, but they can't even do that now.

If he may be permitted to wax serious for a few moments, Carl Columnist would beg to plead for a little support for that football team. So far they are playing like a bunch of hired men, and it's the fault of the student body. Where's that cheerleader, and let's have a few rah-rahs.

Editor's Note: In the future Carl will attempt to conduct this column in a far more satirical and personal manner. Lots of amusing incidents and circumstances will find their way into print. If there are any complaints, write to Carl Columnist in care of The Campus. Your letter is sure to receive publicity.

Much Larger Registration Noted During the 1931 Summer Session

An analysis of the students of the Summer Session, as prepared by Dr. Henke, Director, reveals much valuable data regarding the type of students and the courses taken.

The total number of students attending for one session was 187, 125 of these remaining for the second semester. The number of Allegheny students of the year 1930-31 was 104 for one semester each. 63 attending both semesters. Of those not at Allegheny during the year 1930-31, 82 attended for one semester, and 62 for two semesters. A number of students had never attended Allegheny before, 44 being here for only one semester and 31 for two semesters.

A large number of college students were enrolled in courses in Education, 32 for one semester and 27 for two semesters. For one semester each, there were 24 people who took only one Education course and 8 people who carried two courses. During both semesters there were 17 students carrying one course, 8 people carrying two courses, one person carrying three courses, and one person carrying four courses.

Attending the Summer Session were 45 teachers in service who attended one semester only, 39 teachers in both semesters. These were about equally divided between those taking courses in Education and those in other departments.

Regular Allegheny students completing work for graduating during Summer School numbered 11 who attended one semester and 11 for two semesters,

Allegheny in Athletics

ALLIGATORS HANDICAPPED BY LACK OF RESERVES

Crummen Face Hard Schedule with Excellent First String.

The Allegheny grid team opens the season this year on September 26, when they will entertain Clarion Normal's squad at Montgomery Field. Although this team has just been added to the Allegheny schedule this year and nothing much is known about its prowess, it is doubtful if it will prove to be a very formidable opponent. On October 3, there is another home game, this time with Edinboro Teachers College. Their squad was a comparatively easy victim for the Alligator last fall, but this time a harder fight is expected. The third home game in a row is the Westminster squad on October 10. Starting with this team, Allegheny is in for a tough time of it clear to the end of the season. The following Saturday the 'Gators journey to Thiel for their first

game away, and the week after that play Adrian at home. Both of these schools always put formidable teams on the field. The classic game of the year with Grove City will be played on October 31 at Grove City. One week later the team goes to Bradford to play St. Bonaventure, another new team to the Allegheny football schedule. Geneva's gridders visit Meadville November 14, and the final game of the season is played the next Saturday away from home with West Virginia Wesleyan, another team that has just been added to the schedule this year.

Although this year Allegheny is playing no teams of the Dartmouth class, not a single game on the schedule can be considered as an easy one. Taking everything into consideration, this year's schedule is much harder than last year's.

MUCH ATHLETIC MATERIAL FOUND AMONG FROSH

Four Men Making Strong Bids for Second Team Posts.

Holding within its ranks more than a score of men who are proficient athletes, the class of '35 contributes some excellent material for football, basketball and track.

In football, four of the first year men are already practically assured of positions on the second team; they are Sutter, Cort, Ray and Edwards. Sutter, a product of Mercersburg Academy, has landed a halfback post and is showing great promise; Cort, also from Mercersburg, is playing a hard game at end; Ray, who hails from Kiski Academy, is more than holding his own at one of the guard positions while R. Edwards is taking care of the other in a capable manner. Other first year men on the squad are Turner, La Borde, Naylor, Varano, Vigrass, Scott, J. Edwards, Pringle, Elder and McKim. Despite their lack of experience, all of these men are bound to make strong bids for varsity positions. They are showing plenty of fight and are willing to work. With a year of seasoning in college football these men will be ready to step into first string positions by next fall. In the scrimmages held so far they have shown that they are coming along at a rapid rate.

In basketball the freshman class has Jiles and Ralston from Butler, and Vetovich from Parnassus High School. Hugh Corbin, who ran the 440 yard dash at Mercersburg and later at Warren (Ohio) High School, will be a welcome addition to the track squad. Cort, the football man, is also a pole vaulter and should do a lot to bolster up the team in the field events. There are others, too, who will report for duty in the various forms of athletics and do their bit for "Old Allegheny."

INTRAMURALS WILL GET UNDER WAY NEXT MONTH

So far nothing definite has been planned for this year's intramural sport programme. In general, the competition will consist of practically the same sports as were played last year with the addition of tennis now that the courts are in good condition. The Turkey Race will be run sometime in October, and in the same month the tennis tournament will get under way. Following this comes volleyball. Schedules for these last two will be prepared as soon as the routine work of starting classes is out of the way.

HARRIERS TO OPPOSE ALUMNI ON SATURDAY

As an added feature at the Clarion-Allegheny game on Saturday the varsity cross-country team will hold a meet with a team made up of former Allegheny cross-country men. The race will take place either before the game or between halves. The course will be somewhat shortened, probably being about two miles in length. The alumni team will be composed of Drebbis, Bentley, Ellis, Minnis and Gill. Although this is the first competition for the varsity team this year, it will give an indication of the team's strength for the coming meets.

According to Dr. Oswald Blackwood, of the University of Pittsburgh, the gene of a fruit fly is about .0000600 of a millimeter in diameter. Genes are supposed to control heredity.

Due to the increased earning power of the owner, a college degree is worth \$72,000, according to the dean of a Western college.

HONORARY ATHLETIC FRATERNITY ESTABLISHED HERE

A chapter of Sigma Delta Psi, a national athletic fraternity, is to be organized this year at Allegheny. This fraternity will have as charter members President Tolley, Coach Way, Dr. Schultz, Mr. Daniels, and one other member of the faculty. The purpose of Sigma Delta Psi is to promote physical, mental and moral development of college students. Any male member of the student body is eligible for membership, and it is not necessary to be a letter-man to belong. Coach Way and Mr. Daniels will superintend the trials of all candidates.

The following extract from the Constitution of the fraternity covers the requirements for admission to Sigma Delta Psi:

1. For admission to full membership a student shall successfully attain the marks set opposite the following events in the presence of at least one faculty member or the authorized director of the certification committee.

2. The Director of Physical Education shall certify to the physical fitness of a candidate before allowed to attempt any of the tests.

3. A candidate shall be permitted to attempt only three tests on a single day. Only three official trials shall be permitted in any test on a single day.

4. A candidate may attempt to qualify in Sigma Delta Psi any time while a student or as an alumnus from his institution.

Sigma Delta Psi Test.

- 100 yard dash—11 3/5 sec.
- 120 yard low hurdles—16 sec.
- Running high jump—5 ft.
- Running broad jump—17 ft.
- 16-lb. shot put—30 ft.

6. 20 ft. rope climb—12 sec.
- Baseball throw—250 ft. or Javelin throw—130 ft.
- Football punt—120 ft.
- 100-yard swim—1 min. 45 sec.
- 1 mile run—6 min.
- Front hand spring, landing on feet.
- Hand stand—10 sec.
- Fence vault, chin high.
- Good posture, Standard B (H. B. M.)
- Scholarship—eligible for varsity competition.

In test number five, thirty feet is the requirement for a man of 160 pounds or over and is scaled down in accordance with the proportion for candidates of less weight; 160 pounds is to the candidate's weight as 30 feet is to the requirement.

A candidate who has won a varsity letter or an intramural championship may substitute this letter for any one requirement except swimming. A substitution may be made but once for one sport; for example, the candidate may substitute the football award but once even though he plays on the varsity team three years. The privilege of substituting varsity letters is limited to two official varsity sports and one intramural championship.

It is clearly evident that only a good all-around athlete will gain admission to Sigma Delta Psi, and therefore it will be an incentive for students to develop a high standard of well-balanced athletic ability.

COURTS TO BE RESERVED

Beginning Wednesday, September 23, all tennis courts will be reserved. Reservations may be obtained by calling the gym office.

Fraternities Announce Pledging of Members of the Freshman Class

With a class of conservative and careful freshmen, the fraternities are unusually slow in pledging the members of the class of 1935. To date only 64 of the 104 freshmen have affiliated themselves with Greek-letter societies although most of the remaining men have been invited to accept pledges.

It is expected that by the time of the next printing, The Campus will have a complete list of the fraternity pledges. The names follow:

PHI KAPPA PSI

William Lavier, Meadville; Joseph Truman, Brookville; Samuel McKim and Benjamin Turner, Wilkensburg; Nevin Cort, Mt. Pleasant; Samuel Johnson, Ben Avon; Jack DuMars, Philadelphia; Hugh Corbin, Warren, O.; Kenneth Fishel, Cleveland, O.; Ray Blauer, William Tamplin, and William Lauer, all of Sharon.

PHI GAMMA DELTA

John P. Gilmore, Crafton; David Wallace, Brookville; David Hill, Bloomfield, N. J.; William Ralston, Butler; Robert Davidson, Warren; Harold J. Rowe, Wilkensburg; Warren Keck, Greenville; William Kennedy, Bridgeport, O.; Warner Peterson, Wiloughby, O.; and Robert Scott, Aspinwall.

DELTA TAU DELTA

Norman Laughrey, Philadelphia; Robert Hamilton, Meadville; Howard Gates, Coudersport.

PHI DELTA THETA

Donald Bortz, Greensburg; John Carver, Beaver; John Corcoran, Dormont; Robert Crabbs, Painsville, O.; Richard Dentler, Warren; Philip Gelbach, Evans City; Thomas Hawkins, Sharon; John Helmstadter, McKeesport; Norman Olson, Madison, N. J.; George Plunkett, Evans City; and Thomas Pringle, Jr., Pittsburgh.

SIGMA ALPHA EPSILON

James Stroup, Braddock; Lynn Fieger, Carriick; Howard Crighton, Midland; David Brown, Meadville; Richard Ray, Saltsburg; Richard Holden and Robert Krider, both of Meadville; David Sutter, Bellevue; Chester Jiles, Butler; and Edward Gaisford, Chicora.

ALPHA CHI RHO

Jeral Angrove, Akeley; John Lubic, McKees Rocks; Milton Maloney, Frank Whiting, and Earl Green, all of Meadville; Ernest Joslin, Albion; and Robert Hannum, of Bradford.

BETA UPSILON

Edward Olmstead, Hamburg, N. Y.; Charles Bartberger, Pittsburgh; Hugh Lunn, Shinglehouse; Dana Brown, Jefferson, Ohio; Charles Remaley, Murrysville.

BETA KAPPA

Norman Walker, Guys Mills; Kenneth Leadbeater, Meadville; Harry Vigrass, Creighton; Charles Naylor, Derry; Thomas Murray, Brookville; Lester Wolff, Cleveland.

NEW TEACHERS

(Continued from page 1.)
tion classes and intramural sports, and will supervise instruction in boxing and wrestling and, with Mr. Way, of special freshman football classes. He also will be director of college publicity.

O. R. Carpenter, B.S., instructor in physics. Mr. Carpenter is a graduate of Allegheny, class of '31. He will have charge of laboratories.

In addition to these changes, Miss Mildred J. Ludwig, a former member of the Romance Languages Department of Allegheny College, is returning to the school, and announcement has been made of the promotion of H. R. Anderson, English language, and P. M. Benjamin, English literature, to the rank of assistant professors.

COLLEGE SONG

(Continued from page 3)
Renewed be friendships old and ever best.

One hundred years has Allegheny striven
Great truths to teach and one, all else above—
To learn which must a man's whole life be given—
That all of life is just to learn to love.

Oh God, our heavenly Teacher, grant that we
Life's wondrous lesson of love may learn of Thee."
Gertrude D. Douglas, '88.

Mother appended to her manuscript copies she sent to one or two friends—
("I cannot at reunion with you be
And so, I send my love to be with thee.")

G. D. D.

Wishing you and your friends a happy Commencement, I am
Yours truly,

Gertrude Willesey Douglas.

Usual Program Carried Out to Orient Members of the Freshman Class

Freshman Week was held at Allegheny College September 11-14, and proved very successful in adding the new-coming men and women to acquaint themselves with Allegheny's customs and traditions.

The first feature on the program was a dinner attended by mixed groups of Freshmen at Cochran Hall and Hulings Hall. Following this, President W. F. Tolley gave an address on "An Introduction to College Life."

The program of Friday, September 11, was opened by a service in the Chapel. At this time Dr. C. F. Ross addressed the students on "College History, Traditions and Organization," and Professor Luvaas led the group in singing some of the college songs. The rest of the morning was taken up with an English Placement Test and lectures on "The Use of the Library" by Dr. Swartley and Miss Rowley, the Librarian. In the afternoon, the newcomers took a Psychological Test, but were soon enjoying themselves at a picnic in the Ravine.

Dr. Ross opened the program on Saturday morning by a talk on "The Selection of a Schedule." Following this the Freshmen visited their advisers and made out a schedule of their classes, in preparation for registration in the afternoon. In the evening Dean of Men J. R. Schultz and Dean of Women Adeline Bowie addressed the class on "Social Life."

President Tolley gave an address at the Chapel service, Sunday morning, and in the afternoon Vespers were conducted by the Y. M. C. A.

The program was brought to a conclusion Monday morning when the class took Aptitude and Personality tests.

ADMINISTRATION GRATIFIED

(Continued from page 1.)
