Dear Julie-

Just a line to tell you that Miss Sailant came posting out Saturday night through the snow and the cold with your letter buttoned inside of her dress to tell me the good news that you liked her stories. Oh! but your letter made her happy! You should have seen her eyes!

It was so like you to write the way you did

Caleb and I agreed later that you were just the same splendid old you under all circumstances.

I understand that the stories are not accepted but I guessed from your letter that you could make use of some of them at least.

Yours Cordially,

Alice.
