Mr. R. A. Cameron
National Safety Council
Continental Bank Building
Chicago, Ill.

My dear Mr. Cameron:

In reference to your letter of June 27, you certainly are having a big program. I cannot think that I can count very much in it, but, of course, am proud to be asked to appear.

In my telegram I did not state what I possibly should have, that much as I should like to do it, I could not afford to pay my own expenses to St. Louis and back. I am giving half my time now to war work and I can not afford to add travelling expenses to my time and strength in such a matter as your council.

I can understand how you may not feel that this is possible, and if that is true, do not hesitate to drop me from your program.

Very sincerely yours,

IMT/EBG
