Camp at the White House Va

Dear Mother

I take my Pen in hand to write you a few lines to let you Know I am still in the land of the living we Moved last Thursday Afternoon and we have got fixed up very nice our tents are better than we had last winter we drew new Tents and we have better stoves they are sheet Iron with cast iron top an Bottom they are nice as most of the folks have in their Parlors that things they are some body we had a better time when we Moved than we had last Year we had 10 teams and then not enough to bring all down at once.
