Miss Ida M. Tarbell,
120 East 19th Street,
New York City, N.Y.

Dear Miss Tarbell:

Thank you for your letter acknowledging receipt of the Lincoln picture and we are wondering if you would be good enough to give us the following information:

1. What were the names of the three children shown in the Lincoln picture (there seems to be some dispute about this) and please mention them starting from left to right as you look at the picture.
2. Could you also tell us the date of their birth and death?
3. Could you also tell us the date of the death of their mother, Mrs. Lincoln?

July 16 1882
We dislike to bother you for this information and presume you would not accept pay for it. We therefore desire to state if you have any friends to whom you would like to have copies of this picture mailed we shall be glad to send them without any charge whatsoever.

Yours very truly,
