Mr. Leo C. Monahan,
Washington, D.C.

My dear Mr. Monahan:

I have your telegram saying that Mr. Hoover will call on me on Friday morning between nine and ten and asking for the meeting place.

I wired you in reply that I would be glad to see him at my Study, 120 East 19 Street, at the hour named. If for any reason Mr. Hoover finds that this is not a convenient hour it can be changed by telephoning - Stuyvesant 6674. I will keep the forenoon free.

Thanking you for your telegram, I am

Very truly yours,
