Ida dear –

Dont worry about the salary till there's one in sight

The present organization is down on its feet. Its got to be entirely rebuilt. I am at work on that so turn in and help all you can.

When we get going, we shall need speakers of reputation to address us. They all get paid for that kind of work, and you know it. I wouldn't be at all surprised if they paid you a handsome retainer to have first call on your services

N'estce pas?

Yours
Ole Cabin Teddy

P.S. Good "a Mind" Mustard "It a gave its well. It is already among the best sellers — 300 a day — and it is growing. Talk with Hise
