Dear Miss Tarbell:

I have just read "A Little Look at The People" in the May issue of the Atlantic Monthly. It is a splendid article, - I think the best article that has been written about Chautauques, particularly circuit Chautauques. Dr. Pearson says, "it is the best publicity the Chautauqua has had." You will remember meeting him at Wyandotte.

I congratulate you, and thank you sincerely for the very nice things you have said about our management and our circuit, as well as about Chautauques in general. The article will have very wide reading among Chautauqua workers.

Sincerely yours
