

Fort Hill Road

Seaside - April 12th

Dear Miss Tarbell.

Did you
ever receive the check in
payment for using "The New
Lincoln" over the radio? I
never received a return post
office receipt, and I just
want to be sure you got it.
I have the registered letter re-
ceipt, so I know the date it
was mailed.

I hope we shall see
you this summer after Mr. Dale
comes home. He is still in Chicago.

Affectionately

Marie Dale
