July, 21, 30.

Dear Mrs. M. Farbell.

I read your article, Ladies at The Bar, in the Liberty and I was very much interested in the portable American bar. I know it asking a lot, but on the hand if it is not to much, I wonder if you would be so kind as to write and tell who made or sells them as I would like to write to them. Thanking you very much
In Advance
