Hon. John E. Iglehart
Evansville, Ind.

My dear Judge Iglehart:

I have your letter of
November 12, with the good news that you are expecting to
be East in December.

I certainly hope that you will give me a chance to
see you at that time, to learn about the growth of the his-
torical work of your Society. As you know I have taken a deep
interest in what you are doing and believe that you are going
to add substantially to our knowledge of the conditions under
which the young Abraham Lincoln passed his boyhood. I shall
be most glad to hear from you personally just what has been ac-
complished.

If you will let me know when you come East, and when
and where I can see you I shall appreciate it.

Sincerely yours
