Eight Seniors Awarded Phi Beta Kappa Honors

Ex-governor of Colorado is
Guest Speaker at
Chapel Program.

Eight seniors were honored with election to Phi Beta Kappa in college chapel yesterday. Ex-governor William E. Sweet, of Colorado, was guest speaker and discussed the New Deal. The eight students who achieved the key signifying the highest scholastic recognition were:

William Farr Church, Meadville.
Arthur Mead Crawford, Pittsburgh.
Fred Leland Ewing, Corry.
George Paul Grant, Pittsburgh.
Genevra Anne Hazen, New Castle.
Anna Elizabeth Strott, Erie.
William K. Unverzagt, Pittsburgh.
Sarah Elizabeth VanKirk, Pittsburgh.

The announcement of the elections was made by Prof. Julian L. Ross, president of the Allegheny chapter of Phi Beta Kappa. The eight students honored have maintained "A" or "A—" averages during their four years' of college work.

In addition to being outstanding scholars, four of the men selected—Crawford, Grant, Church, and Unverzagt—are members of Omicron Delta Kappa, honorary activities fraternity; and Ewing has been active in journalism and debating and is retiring president of Phi Beta Phi.

Ex-Governor Sweet is a member of Phi Beta Kappa and a graduate of Swarthmore College. He was governor of Colorado in 1923 and 1924.

Beginning his speech with the observation that America can not go back to the old economic order from which it has come, the speaker quoted President Roosevelt's speech to N.R.A. officials on March 5, stressing the desirability of "this great army of people willing to submit to a common discipline for a common good."

"College should enable you to acquire self-discipline," the speaker told his audience. He then proceeded to show the good which the code has done by encouraging self-discipline rather than by forcing industry to accept it on penalty of severe punishment.

"We have entered upon a campaign to release the fruits of liberty and freedom for all the people living within the confines of the United States. We must open our minds and be tolerant to ideas which at one time we never could have entertained," he continued.

The speaker concluded his talk by expressing his approval of Roosevelt's policy of employing "brain trusters," saying: "I hope the whole crowd of liberal minded economists will come down to Washington and lend their influence to the revolutionary processes of our economic system."

Track Team Looks Promising in Win Over Clarion, 74-34

Six New Men Win Letters
By Taking Firsts in
Their Events.

Until Saturday afternoon the 1934 Allegheny track team was an unknown and somewhat dubious quantity, but the 'Gator squad' had two of whom were participating in their first inter-collegiate meet, easily topped Clarion State Teachers, 74-34.

Six men—Wilson, Frost, Chester, Shetterly, Ober, and Weber—earned varsity letters Saturday by placing first in their events.

Ideal weather and the excellent condition of Montgomery Field enabled the locals, in spite of their inexperience, to turn in performances that pleasantly surprised Coach Paul Way and a crowd of about 300 spectators.

Coach Jones' Teachers had things their own way in the 100 yard dash, taking the first three places; but the Blue and Gold tracksters garnered a majority of the points in each of the other events.

"Red" Vanaman, track captain, contributed 10 points to the winning total by taking the shot put and discus events; and Wilson added another 10 by easily leading the way in the mile and half mile runs.

Bettering anything he had done previously by a foot and a half, Ronny Ober leaped 20 feet to clinch the broad jump. Shetterly paralleled the performance in the high jump by going 5 ft. 7 in.—2 inches better than he had done in practice.

Wolfe, though handicapped by a strained leg tendon, came off with a first in the 440 and a second in the 220. Ed Frost did the nine laps of the two-mile race without being pushed. Frank Shirk placed third in the mile run and an hour later went the two-mile distance for a second place in that event.

A summary of the meet follows:

Former Allegheny Head, Dr. James A. Beebe, Dies

Former Allegheny Head Dies

DR. JAMES A. BEEBE

Funeral Services for Allegheny
President of 1926-30
In Mass. Today.

Allegheny College's eleventh president, Dr. James A. Beebe, died late Monday night at his home in Newtonville, Massachusetts.

Because of ill health, Dr. Beebe was forced to retire in 1930 after four years' service as president of this college. During his administration, he won the friendship and esteem of Allegheny College and Meadville community.

Word of Dr. Beebe's death was not received in Meadville until yesterday afternoon when a telegram came to President Tolley. Last night Prof. C. F. Ross left for Massachusetts to attend the funeral services which will be held at 3 o'clock this afternoon.

Dr. Beebe is survived by his widow, one daughter, Laura Jane, until this term a student here, and three sons—Merton, Norman, and Robert.

On April 5, 1926, Dr. Beebe succeeded the late Dr. Fred Hixon as president of Allegheny College. During his administration Arter and Caisch Halls were built. At that time the President resided in the home on North Park Avenue which has since become a women's dormitory and has been named "Beebe House" in his honor.

In the early part of 1930 he suffered a breakdown and was forced to resign the presidency. Shortly afterward he moved to Boston. President William P. Tolley, the present president, was chosen Dr. Beebe's successor.

The former Allegheny president was born in Mound City, Kansas and received his public school education in Harlan, Iowa, where he is later to be interred.

A Phi Beta Kappa graduate of Simpson College in 1903, Dr. Beebe was awarded the D.D. degree by Simpson in 1911 and the LL.D. degree in 1922. He studied for the ministry at the Boston University School of Theology, and in 1909 received his degree as bachelor of sacred theology. For the next six years he was pastor of the Methodist Episcopal Church at Englewood, Illinois.

From 1915-1920, Dr. Beebe was president of the Iliff School of Theology in Denver. In 1920 he became dean of Boston University Theology School, the position he held when elected Allegheny's president.

High School Seniors To Visit Allegheny On Saturday, May 12

Allegheny College will be host to about 100 seniors from Western Pennsylvania high schools on Saturday, May 12, in a High School Guest Day program of scholarship competition and entertainment.

This year Prof. C. F. Ross has asked all social fraternities and sororities to assist in entertaining the guests; and the presidents of the Greek-letter organizations have been conferring with him to plan for this work.

The first event scheduled for the day's program is a competitive test for prize scholarships. The tests, which are in general knowledge, intelligence, and college aptitude, will be given in the gymnasium at 10 and 10:30 a. m. Ten prize Allegheny scholarships ranging in value from \$400 to \$100 will be awarded the high scorers.

At 12:30, shortly after the conclusion of the tests, a buffet luncheon will be served to guests in Cochran Hall.

The high school students will assemble in the Playshop at 1:45 where they will be welcomed by President Tolley. Following this the Allegheny Singers will present a short program, and the Allegheny Players will give Goldoni's "The Fan". The cast for this production will be chosen from the duplicate casts which presented it here in March.

The remainder of the afternoon will be given over to the varsity track meet between Allegheny and Washington and Jefferson College and to the intercollegiate tennis match with Slippery Rock. The track meet is scheduled to start at 2:15, and the tennis matches at 2:30.

A tour of the campus and inspection of college buildings will conclude the day's program.

Four Allegheny Speakers Address Jamestown Audience

Four Allegheny speakers journeyed to Jamestown, N. Y., Friday evening, May 4, and presented an extension debate before the Jamestown Republican Club.

Earl Green and Arthur Crawford debated the affirmative of the N.R.A. question against Norman Stoner and Kenneth Johnson before an audience of about 700 persons. The debate was also broadcast over radio station WOCL, Jamestown.

This appearance marked the close of the activities of the season for the Speakers. Their work this year has given them opportunity to appear before Rotary Clubs, Lions Clubs, and Literary Societies in Western Pennsylvania, Ohio, and Western New York.

Wooster Professor Speaks At Phi Sigma Iota Banquet

Monsieur Pierre Jaccard, of Wooster College, was the guest speaker at the Phi Sigma Iota banquet, held last Friday evening at Glen Manor. M. Jaccard spoke on "Month Erlant".

Professor and Mrs. Olthouse of Wooster, and Miss Delorme were guests at the banquet.

BRIGHTER OUTLOOK—SENIORS!

Jobs for college graduates apparently are more plentiful. In an effort to find out how the nation-wide business recovery is affecting college graduates, and, in particular, the 1934 graduating classes of an estimated 160,000 men and women, The Literary Digest asked nine editors of key college daily newspapers, in widely-separated parts of the country, to express their opinions. The result is a fairly-accurate cross-section of comment by representatives of college youth. Notable in the survey was the general optimism; only one editor described the situation as "gloomy".

That this June will be the brightest in three or four years is indicated by several guide-posts. Two universities have reported that commercial and industrial firms have sent scouts to their campuses for the first time since the depression began. From several large centers of learning come reports that there are fewer applications for graduate-school study next year, which may mean that students are finding more openings in the business and professional worlds. To further round out the picture, The Literary Digest asked employment bureaus of three of the country's largest universities to comment on employment prospects for this year's graduates.

At Yale University, the Department of Personnel Study and Bureau of Appointments, directed by A. B. Crawford, reports that more representatives of business firms have visited the bureau for employment interviews so far this spring than during 1932 or 1933, "and practically all of them seem to be quite optimistic about the improvement of business conditions in their respective fields." Some students have received and accepted definite offers of employment. The Yale bureau is not encouraging students to take up graduate work "merely as a stop-gap."

Definite improvement over the last three years is shown this spring at Columbia University, according to W. Emerson Gentzler, Director of Appointments, who said there is a larger demand for specialized persons and a noticeable decrease in the pressure for jobs from graduates of previous years. New York University's employment bureau, directed by Lawrence Zimmer, reported it had not experienced, so far, any unusual increase in opportunities for new graduates, but that such an increase is expected before summer comes. The general attitude of employers, it reported, is much more optimistic than in the last three years.

Seventy thousand college students have been aided during the year by the Federal Emergency Relief Administration, according to William Boutwell, editor-in-chief of "School Life", a publication of the United States Office of Education in Washington. The Federal office reports that while there are 250,000 fewer college students enrolled in 1933-34 than normally, graduate work has increased enormously, from 47,225 graduate students in 1929-30 to 72,120 in 1931-32. High-school graduates have increased in the last two years about 40 per cent, while it is estimated officially that 15 per cent, of the 1,700,000 college graduates in the country (1930 figure) have been unemployed.

Civic Oratorical Contest

Gordon Thomas, representative of Albion College, Michigan, was the winner of the International Civic Oratorical Contest which was held at Wooster College, on Friday, May 4.

His subject was "Pernicious Virtue" which attacked blind patriotism.

Edward Stainbrook, using his Wakefield contest oration, "Man the Creator", was Allegheny's representative in the contest.

Independents, B. U.'s Only Unbeaten Teams In Mushball Leagues

Fine weather enabled intramural mushball teams to pass the half-way mark in their schedule last night; and one team in each league remains undefeated.

In League B the Independents alone are undefeated and have downed their two most dangerous rivals, the B. K.'s and the Sigs. Next Monday they meet the Phi Gams and next Wednesday the Chi Rhos, and in both encounters should emerge on top.

In League A Beta Upsilon is certain of at least a draw for league leadership. The B. U.'s are the only undefeated team in their league; but have yet to overcome the Delts.

Independents Stop B. K.'s

Yesterday evening the Independents checked Beta Kappa 6-1. Inning four was the big inning with the Independents getting five runs and the B. K.'s registering their single marker. Schiavone pitched his usual fine game for the winners, and Leadbeater twirled for the losers.

B. U.'s Beat Phi Delts.

On the other end of the field last evening, Beta Upsilon took over Phi Delta Theta 16-9. Though the Phi Delts brought the count up to 8-7 in the sixth, a B. U. hitting spree in the last half of that inning netted eight runs and put the game "on ice". Grant tossed for the Phi Delts; Smith, for the B. U.'s.

Independents Nose Out Sigs.

In the closest game witnessed thus far, the Independents rallied in the last two innings to defeat the Sigs 3-2 Monday evening on Montgomery field.

Sterling pitching on the part of both Schiavone, Independent twirler, and Jones, Sig pitcher featured the game. Both men allowed but three hits over the entire route. Jones held the Independents scoreless until the 6th.

when Vanaman drove in two runs. Schiavone then checked the Sigs until the last inning when Barco brought in the winning tally.

Phi Psis Defeat Delts.

In a hard hitting contest the Delts dropped a decision to the Phi Psis Monday evening, 19-13.

The lead changed hands constantly, but a late drive put the Phi Psis out front. Smith and Jacobus pitched for the Delts, while Unverzagt and Wilson hurled for the Phi Psis.

Chi Rhos Lose to B. K.'s.

Likewise on Wednesday Beta Kappa, chiefly through the efforts of its pitcher, Ken Leadbeater, downed Alpha Chi Rho 13-6.

From the first Beta Kappa held the lead, and was never in danger of losing. The game was featured by home runs, two by Leadbeater and one each by Lang and McFeeley. Lubie pitched for the losing Chi Rhos.

Sigs Top Chi Rhos.

The Chi Rhos went down to defeat on the following day, this time at the hands of the Sigs, 6-3. Buck Jones pitched his best in the early innings. The Sigs also executed a double play in the sixth inning, and Erwin knocked a homer for them in the fifth. Lubie again pitched for the losers.

Phi Delts Defeat Delts.

A last inning rally brought victory to Phi Delta Theta in a mushball game with the Delts last Wednesday at Montgomery field, 9-8.

The Phi Delts started out bravely, registering four runs before the Delts scored. By the seventh inning the Delts had climbed into the lead, 8-7, but they could not hold the Phi Delts from adding two runs to win.

Grant and Robie pitched for the winners, while Jacobus pitched the entire game for the Delts.

Last Sunday morning's music appreciation hour featured program music. Selections from two symphonic suites, "The Fire Bird" and "Petrushka", by Stravinsky, were played.

Coach Way's Team Should Trim W. & J. In Saturday's Meet

Allegheny's track team should add another scalp to its belt when Washington and Jefferson College comes here Saturday afternoon.

Last Saturday the Presidents met Grove City, the 'Gators opponent for May 19, and suffered a 103-32 setback. Judging from the performances in this meet between the two future Allegheny opponents, the Blue and Gold boys should have little trouble handling Wash-Jeff and ought to stand about even with Grove City.

The records in the Grove City-W. and J. meet last Saturday were:

Track Events.

100 yard dash—Won by Grove City. Time: 10.2.

220 yard dash—Won by Grove City. Time: 22.2.

440 yard dash—Won by Grove City. Time: 51.7.

880 yard run—Won by Grove City. Time: 2 minutes, 12 seconds.

1 mile run—Won by W. and J. Time: 4 minutes, 47 seconds.

Two mile run—Won by Grove City. Time: 11 minutes, 50 seconds.

Field Events.

Shot put—Won by Grove City. Distance: 37 ft., 2 in.

Discus throw—Won by Grove City. Distance: 118 ft., 9 1/2 in.

Javelin throw—Won by Grove City. Distance: 161 ft.

Pole vault—Won by Grove City. Height: 10 ft., 3 in.

High jump—Won by Grove City. Height: 5 ft., 1 in.

Broad jump—Won by Grove City. Distance: 19 ft., 2 in.

These marks do not tell the full strength of the Grove City team, however, for in several of the events three Grove City men tied for first place. This happened in the two mile run and in the shot put, javelin, and pole vault events.

Jim James, another Big Ten star, defeated Ralston in straight sets, 6-2, 6-4. Lubie also went down in straight sets before F. Cooper, 6-4, 6-4. E. Bookheit took Sowers in straight sets, 8-6, 6-2; and F. Donnelly defeated Goodrich, 4-6, 6-3, 6-4.

'Gator Courtmen to Play Four Matches Within Week

The tennis team has a busy week ahead of it with four matches: three away and one at home, before next Wednesday.

Tomorrow the netmen meet Youngstown Y. M. C. A. in a return engagement on the Youngstown courts. On Friday they travel to Grove City, and on Saturday they play Slippery Rock on the Allegheny courts. Next Tuesday, May 15, they oppose Slippery Rock on the Teachers' home courts.

something like
that to mellow
good tobaccos

WHERE THE RARE WINES come from they know that the two most important things in wine-making are the selection of the grapes and the long years of ageing in the wine cellars.

IT'S VERY MUCH THE SAME in the making of a cigarette. You have to get the right tobaccos, then put them away to age and mellow in wooden casks.

You can't make a good cigarette like Chesterfield in a day. It takes over two years to age the tobaccos for your Chesterfields—but it adds something to the taste and makes them milder.

Everything that modern Science really knows about is used to make Chesterfield the cigarette that's milder, the cigarette that tastes better.

Luckies are always in All-Ways kind to your throat

"It's toasted"

✓ Luckies are all-ways kind to your throat

*so round, so firm, so fully packed—no loose ends
that's why you'll find Luckies do not dry out*

We like to tell about the finer tobaccos in Luckies—the choicest Turkish and domestic, and only the mild, clean center leaves—they taste better—then "It's toasted"—for throat protection. But we're just as proud of the way Luckies

are made. They're so round and firm, so free from loose ends. That's why Luckies "keep in condition"—that's why you'll find that Luckies do not dry out—an important point to every smoker. Luckies are always—in all-ways!—kind to your throat.
