

February 26, 1936

Dear Mr. Zerbe:

On February 8th, 1935 there was published in the Herald Tribune a photograph with your signature of Stephen A. Douglas Volk in his studio working on his canvas of Abraham Lincoln and studying a plaster cast of the President's hand. I would like very much to get a copy of this photograph to go with a few other Volk items in my Lincoln collection.

If you can send me a good copy with the bill I shall appreciate it.

Very truly yours

Mr. William Zerbe
