Extensive Program Set For Homecoming

An outstanding program has been arranged to make the Homecoming Week End of October 25 full of enjoyment to both the alumni and the present students of Allegheny.

Much diversified entertainment is scheduled to fill in the background of handshakes and renewal of acquaintances.

The curtain raiser will be the soccer match between the Grove City and Allegheny teams. The contest will be held at Montgomery Field starting at 2 p.m. It will be the initial match for William Hanson's soccermen.

One of the biggest events of the week end will be the contest sponsored jointly by the Men's Undergraduate Council and the alumni office for the best fraternity house decorations. The contest will be judged by the Board of Trustees and the Alumni Board of Directors.

The campus Friday evening will be the scene of an old-fashioned pep rally, complete with bonfire, to spur the Gator gridmen on to victory for their game the following day.

The football game will be held at the North Street Stadium at 2:15 p.m. It will be the 50th time that the Allegheny gridders and Grove City have met on the football battlefield.

Before the game Saturday, a buffet luncheon will be held in Brooks Hall for the alumni at 12 noon.

CIDER PARTY

The Saturday evening quarterbacks will have a chance to get together and rehash the game at Montgomery Gymnasium where the Block "A" Club will sponsor the annual cider and doughnut party. The time will be 4:15 p.m.

At 6 p.m. Saturday evening, the fraternities, sororities and the independent dinners will be held. They have plans for a good program.

The Playshop will present its first production of the year, Oscar Wilde's "The Importance of Being Earnest". The play will start at 9 p.m.

The Allegheny Undergraduate Council is sponsoring the traditional Homecoming Dance at Brooks Hall. The dance will start at 9 p.m. and will give everyone a chance to double up on the evening's entertainment by dropping in to the dance after the play.

Bulletin Board

Women interested in joining the girls' choir are asked to sign the notice on Brooks bulletin board between today and Friday evening. Girls' choir is open to all women students except the members of Singers and the chapel choir.

If the demand is great enough a male chorus will also be organized.

There will be an Outing Club meeting, Thursday, October 16, at 7:15 p.m. in Arter 16.

Last tryouts for Minor Terrapin will be held at 7:00 p.m. tomorrow.

Wilde Play 1st College Production

"The Importance of Being Earnest," Oscar Wilde's zestful creation of 19th century wit, will open the Allegheny Playshop season, October 25, according to John Hulburt, college drama department head.

Melvin Gerseny, as John Worthing, J. P., and Miles Mutchler, as Algernon Moncrieff, will have the leads in the production.

Generally considered the best of the Wilde comedies, "The Importance of Being Earnest" is a combination of the author's keen sense of social satire and wonderful comic dexterity.

In producing this drawing room comedy, the Playshop is continuing it's policy of bringing the latest developments from the professional stage to the campus. This play enjoyed a highly successful run on Broadway last spring.

To enhance the intrinsic merits of the production, William McMillen is directing the comedy and Graham Bird returns to take charge of design and costuming.

"The Importance of Being Earnest" will open Monday, October 27 and run through Saturday, November 1, with admission being through the use of activity tickets.

Initial performance will be given as the Playshop's contribution to Homecoming Day, on Saturday evening, October 25. Tickets to the October 25 performance must be purchased since this presentation is intended principally for alumni and their guests.

Ticket sale will open Monday at the Playshop.

AWS Sponsors Student-Parent Tea on Sunday

With a student-parent tea as program highlight, the Associated Women Students have scheduled a Parents' Day next Sunday, A.W.S. officers have announced.

The informal tea, only planned portion of the day's program, will be held in Brooks Hall from 3 to 5 p.m. Members of the A.W.S. will serve as hostesses.

Written invitations have been sent to freshmen to be forwarded to their families. Upperclassmen have been asked to invite parents. Faculty wives and advisers will be guests at the tea to help parents become acquainted with Allegheny life and customs.

All students are cordially invited to attend, even if their parents are unable to be there, A.W.S. officers said.

Instrumentalist Added To Staff

Herbert Neurath, a renowned instrumentalist, has been added to the music staff of Allegheny as an instructor of music, President Chester A. Darling has announced.

Mr. Neurath, who will take up his duties in the expanded music department today, has a varied background of teaching and symphony experience. Before coming to Allegheny he spent three years as a member of the Pittsburgh Symphony

A graduate of Vienna University, he holds a doctor's degree in musicology. His doctor's thesis was "The Violin Concert in Vienese Classical School."

In addition to instructing in violin and viola and the possible organization of a school orchestra, Mr. Neurath will be available for private instruction and ensemble work. He has taught and done ensemble work at the People's Conservatory in Vienna and at several schools in United States.

While at Allegheny he also will serve on first viola with the reorganized Erie Symphony. His wife, an accomplished cellist, also will be available for private instruction.

Muckley To Head New Kaldron Staff

Robert Muckley, newly-appointed editor of the Kaldron has announced his staff as follows:

Assistant Editor—Miriam Geyser
Business Manager—Don McClimans
Correspondent Editor—Mary Lou Richey
Make-up Editor—Martha Wright
Snap-shot Editor—George Strong
Art Editor—Filis Baldwin
Assistant Art Editor—Joe Bachus
Literary Editor—Robert Landon
Secretarial Editor — Orca Brubach
Sports Editor—Bill Wylie

Mr. Muckley stated that "cooperation" would be the key word for the '47-'48 Kaldron, with editors, departments, and staff members working together to eliminate retakes and duplication of efforts. The editor said the staff of assistants would be chosen from the freshman and sophomore classes to enable them to gain experience for future yearbook work.

Paul SIPLE, Allegheny alumnus and noted explorer, was described as the foremost living Antarctic geographer and authority on Antarctic problems by Admiral Richard E. Byrd in a recent article in a national magazine. Siple is probably the only living American who calls the Antarctic "my own country," Byrd observed.

Freshman Customs To Open Tomorrow

Climaxing the freshman customs opening tomorrow will be a novelty contest Saturday, November 22 at 1:30 p.m. on Montgomery Field to determine the end of customs.

Freshman men will combat sophomore men in a game in which the successful scoring the two of three medicine balls through the opponents goal determines the victor. If the freshmen win, customs will be ceased at Thanksgiving; should they lose, customs will continue until Christmas. Witnesses of the game in past years have modestly described it as "quite active".

Tomorrow, the official date determined by the Allegheny Undergraduate Council for the post-war reinitiation of freshman customs, marks the beginning of what promises to be an interesting two months. In the immediate future, heads carrying the traditional blue dink will easily be distinguished as those of freshman, and, warns Chief Justice Peter Albright of the Freshman Court, "shall violators of the 'Ten Commandants' established by the Customs Rules Committee be discovered, those same heads shall fall."

On the freshman court, deciding body for custom violations, will be Albright, chief justice, Betsy Lichenfels, Jon Sandberg, Philip McFarland, and two others yet to be appointed by the Allegheny Undergraduate Council.

A box is to be located in Brooks Hall where upperclassmen will submit names of violating freshmen. The freshman will then receive a summons indicating when to report to court. Each case will be decided upon its individual merits and a delay in reporting to the jury will result in a stiffer sentence.

* * *

FINES ANNOUNCED BY COMMITTEE

Among novel fines established by the court are the following: carrying books to class in a basket, wearing dinks backwards, walking to class backwards, men wearing trousers rolled up to their knees, women wearing black cotton stockings, women wearing a quintuple arrangement of pigtails. A daily list of offenders will be posted in the Grill.

"The decision of re-inaugurating freshman customs was unanimously arrived at by the A. U. C., because of the many requests for their return by many freshmen," Miss Esther McFayden, chairman of the rules committee, pointed out. During and immediately after the war, freshman traditions were eliminated because of the large number of veterans enrolled in the school.

* * *

SOME PRACTICES RULED OUT

Stacking of rooms (entering rooms and leaving them in a state of total holocaust) has been eliminated because of excessive permanent damage. The pants fight, in which freshman men and sophomore men attempt to "depant" one another, has also been given up after a consideration of past year's record of broken ribs and arms.

An additional hazard was experienced in 1944, the last year customs existed, when women living at Caflisch almost fell from the windows attempting to secure a better view of the pants fight which was being staged at the front of the hall.

Despite a dissenting rumble heard from freshmen veterans who have filed a petition with the A. U. C. decrying customs, the committee has reported that it expects an enjoyable and harmless hazing to enhance the memory of college life.

Hazing Rules

1. Dinks shall be worn from 8 a.m. to 5:30 p.m.
2. A cardboard sign no smaller than 9"x4" with the first and last name of the freshman shall be worn around the neck for the first week of freshman customs.
3. No freshman shall be allowed on Senior Walk. This walk extends from Arter hall past the side of the library to the drive, past the drinking fountain back of the chapel, down to Carnegie hall. Nor shall any freshman cross Senior Walk.
4. Freshmen shall speak first to all upperclassmen.
5. No freshmen shall walk on any grass on campus.
6. Freshman men must doff their dinks every time they pass Bentley hall.
7. Women must wear women's dinks and men must wear men's dinks.
8. The offenders' names and punishments will be posted in the grill after each court meeting.
9. Rules do not apply on Sundays.
10. Freshman court, made up of upperclassmen, shall pass judgement on all offenders who violate the above rules.

MANDATORY TUBERCULOSIS TESTS SCHEDULED TUESDAY, WEDNESDAY

Chest X-rays for all students will be given Tuesday and Wednesday at Hammett Health Center at the expense of the college.

Men will be X-rayed on Tuesday, beginning at 9 a.m. and continuing until 4 p.m. Women will be X-rayed during these same hours on Wednesday.

Since it takes less than a minute to X-ray one person, a student is required to spend very little time at the infirmary.

According to Dr. Robert A. Byers, "Experience has shown that if cases of early tuberculosis are to be diagnosed, groups of apparently healthy persons must be X-rayed. Tuberculosis may show up in an X-ray from one to two years before the disease presents any other physical symptoms."

In the group of students, only an occasional case of tuberculosis is expected to be found. Last year one case of active tuberculosis which required the student's withdrawal from school was found.

Students are protected only if all students are checked. Those who for any reason do not have the X-ray taken at this time will be required to have a similar examination done at one of the local hospitals at their own expense.

Influenza vaccine will be available to all students again this year at cost, $1. These "flu" shots will be given at the time of the X-ray examinations and anytime thereafter at the Health Center during office hours.

Cold shots will also be available for students this year. Those interested in having the series of shots are requested to see Dr. Byers at the Health Center.

'HAZING' ROUGH HERE? LOOK WHAT THIEL STUDENTS ARE PUT THROUGH

Allegheny College freshmen who think they are in for a "rough" time during the coming "hazing" season can breathe a sigh of relief that they are not Thiel College freshmen.

Here are the rules set up for Thiel "hazing."

Rules for Boys

1. No sign of hair being combed.
2. Right pant leg rolled up to knee.
3. Shirts will be worn backwards.
4. Unmatched shoes and socks.
5. Red ribbon around the neck, with a large bow in back.
6. Cigars, matches, and cigarettes will be carried and offered to all upperclassmen.
7. Only left side of face shall be clean-shaven.

Rules for Girls

1. No make-up or jewelry.
2. Five pigtails with any old sock tied on each one.
3. One black and one white long stocking.
4. Mismated shoes.
5. Candy and gum will be carried and offered to upperclassmen.
6. Freshman girls will make the beds of upperclass girls.

General Rules

1. Dinks will be worn.
2. Freshmen will tip dinks and address all upperclassmen as sir or madam. (Veterans will salute).
3. All courtesies will be extended to upperclassmen, such as opening doors, carrying books, etc.
4. No freshmen will date during hazing.
5. Signs will be worn with name, home town, and degrading statement.
6. When an upperclassman shouts "Air Raid" all freshmen will hit the dirt and imitate some implement of war.

'Hazing' Important

The question of hazing has come up again. Shall we have it or not is more than a question; it is a challenge. If we do not have harmless hazing, it will mean just what many of us fear and all of us do not want. It will mean that we are tired! Tired of what?

For generations fine red-blooded Americans have gone through hazing, sung the National Anthem, our Alma Mater, saluted the Flag, practiced Christian ideals and American ways of life. But we are tired.

Listen when our National Anthem is sung in public. Notice how weakly it is sung, how uninspired we have become. Saluting the Flag has become an ordeal that we go through, or seem to; that we must do or be self-conscious. We are becoming a race of heathens. Look at the statistics on divorce, church attendance, robberies, rape, and other assorted crimes. And so it goes. We won't admit it but it is so. Despite the winning of a war that was well-fought, we have chosen to let things slide.

Hazing does not sound like an important thing. Maybe it isn't, but it does build school spirit. Torn apart by interfraternity rows and fraternity isolationism, Allegheny needs something extra each year that will drive home the idea of school loyalty and solidarity.

Hazing will help this just as this year's fraternity rush week helped introduce all of the fraternities to the freshmen. They were surprised to learn that we had a good cross-section of the country's men right here at Allegheny. They won't look down on any fraternity on the campus or believe any stories or tall tales about some other group.

Give Allegheny a boost. Weak in many ways, she needs your support to go on as the country's top small college. Vote for hazing and show that you are not too tired to show interest in her.

Frosh Girls In Doghouse

(Editor's Note: The views expressed in this column are not necessarily those of the Campus. However, readers are encouraged to express their opinions here. Anonymous contributions can be given absolutely no consideration, but names of authors will be withheld upon request.)

Notice: To all those freshman women who are interested in joining the Friday, Saturday and Sunday Night Bridge Club.

The following qualifications are necessary to become a member: Must make date with male student of Allegheny College and then stand him up. Must make conditional dates with two or more men which will necessitate giving the "lucky fellow" the good word on the day of above-mentioned date. Must tell man you are going to a party stag (as freshman party) and then show up at aforementioned party etc., with date.

Women who are qualified will soon know each other and can make up their own organization to please themselves. Suggestion: Give gold stars to women having greatest number of qualifications.

Cwen's 'Ghost Walk,' Hallowe'en Highlight

Cwens, honorary society of sophomore women, are making plans for the Cwen ghost walk. This is an annual affair given for freshman women at Hallowe'en.

They are also selling doughnuts in the freshman houses on Tuesday and Thursday nights. Money from these sales will be used for the Cwen formal dance to be held next semester.

The organization is also working on the Cwen address book, which should be ready for sale before Christmas.

Officers for the Cwens this year are Ruth Miller, president; Nancy Shryock, vice-president; Jane Fielding, secretary; and Marjorie Beck, treasurer.

Language Head Assembly Talker

Dr. Armen Kalfayan, head of the department of foreign languages at Allegheny, was the assembly speaker today, using as his subject, "On Being a Foreigner."

Dr. Kalfayan, who was born in France, has lived and studied in many countries in Europe and Asia before joining the Allegheny staff in 1931.

AUC Budget Announced

Sixteen campus organizations will draw allotments from a $15,600 budget recently approved by the Allegheny Undergraduate Council and college authorities, A. U. C. President Clifford Smoot announced.

Original requests added up to more than $22,000 but the total fund, established $15 payment from each student at the beginning of every school year, was approximately $16,000. Therefore, all requests could not be paid in full and the budget had to be determined on the basis of what the individual organization contributes to the entire student body, Mr. Smoot announced.

Chemii Club Meets For Organization

Chemii Club, an organization exclusively for juniors and seniors majoring in chemistry has swung into operation for the fall semester.

A student affiliate of the American Chemical Society, Chemii Club closely links itself with this organization, whose Erie section alternately holds its meetings in Erie and in Carnegie Laboratory here at Allegheny.

Officers of Chemii for the coming year will be: Raymond Brown, president; Edward Caflisch, vice-president, and Kathryn Acosta, secretary-treasurer, all of the Class of '48.

Besides reports and talks by members and visiting chemists, social events such as last year's spaghetti dinner have been planned. Regular meetings will be held on the second Tuesday of each month.

Vacation Cuts Not To Count

Dr. Darling has announced that this year the school has rescinded the old rules regarding vacation cuts and that a new policy has been adopted.

Formerly, a student not attending class the day preceding or following a vacation was considered as having taken his vacation cut. Only one of these could be taken a year and if the student abused this privilege, he suffered a loss of credit hours.

This year there is no type of cut classified as a vacation cut. A student not attending class the day before or after a vacation will be counted absent and the cut totaled with all other cuts. This system puts the student on his honor to attend classes up until vacation starts, but no penalty will be inflicted if the student feels he must leave early or return late.

The regular school rules regarding absences will be applied for excessive cutting.

AWS Name Two Officers

Associated Women Students have announced the appointment of two new officers.

Lynn Harer was appointed by a joint session of the Senior Court and A.W.S. to replace Barbara Wigton as a member of Senior Court. Virginia Bender is the new sophomore representative of A.W.S. to replace Beverly Terry.

Both girls have been prominent in campus activities since they came to Allegheny. Miss Harer has been literary editor of the Kaldron and secretary of the League of Women Voters. Last year she was a member of the Spanish Club and now is the vice-president of the Psychology Club.

Miss Bender arrived at Allegheny in February 1947, transferring from Mount Vernon Junior College in Washington, D. C. During her freshman year she was in chapel choir and was elected as a member of the Cwens. She is a member of Singers, a Kappa Kappa Gamma pledge and is also on the A.W.S. social committee.

SOCIAL WHIRL

The poor little paltry pledge, bewildered by this week's whirl of social activities given in his honor, will soon learn that somebody has to clean up the after-party messes.

After a "Bring your own supper" in the rooms Friday night, the **Alpha Gam** pledges learned the true meaning of sorority by painting the kitchen.

Superintending was Judy St. Clair, who was visiting for the week end.

* * *

On the other hand, each **Alpha Chi** "big sister," treated her "little sister" to a dinner this week.

The **Alpha Chi's** announce the engagement of Ann Boyd to Alfred Clark of Carnegie Tech.

The **Alpha Chi Rho's** are starting something new in the way of social events. Sunday they entertained Alpha Chi Omega sorority at open house. Mr. and Mrs. Glenn Timmons, Miss Agnes Kollitz, and William Hanson chaperoned.

Phi Delta Theta followed tradition Sunday when they held their annual freshman women's tea. All faculty members were invited as well as several alumni. Serving at the tea table were wives of the members.

* * *

The **Phi Gams** held a banquet and pledging ceremonies Thursday evening. Visiting this week end was William Dickey, ex-'45.

* * *

A drowsy peaceful atmosphere pervaded the campus over the week end. **Sigma Alpha Epsilon** (accompanied by the football team) was entertained this week end by the Sig chapter at Dickinson college in Carlisle.

Looking over the **Phi Psi** guests this week end were Drew Kaye, '45, and Augustus Blomquist, '47.

More Outings Planned By Phi Beta Phi Club

More trips to Bousson are planned this year by Phi Beta Phi, honorary biology club, according to Ralph Bruger, president.

The club, open to juniors and seniors, meets on the first and third Tuesdays of each month. In addition to the Bousson plans, speakers from the campus, and group talks are scheduled to create interest.

Last year the group started the Dr. Darling book fund, to supplement the allotment spent each year for the biology library. The initial gift was $150, and is to be added to, by amounts of $50 to $100 a year from now on. The books thus provided will be for use by those in the biology department for study and for preparation of talks such as those given for Phi Beta Phi meetings.

College No Longer Pays Hospital Bills

Under a new system of operation, all hospital bills incurred by a student during the school year must be paid by the student, Dr. R. J. Byers, Allegheny College physician, has announced.

The change is partly the result of the fact that Allegheny now has an adequate infirmary and health staff to care for all but a few cases of illness, Dr. Byers pointed out.

In addition, the money that formerly was used for hospitalization for a few students, about $1,500 a year, now can be used for general improvement of health facilities for the benefit of all students. The majority of the students are under a hospitalization plan that will take care of hospital bills, he added.

Heelers Will Name Officers At Meet

At the initial meeting of the Heeler's club, Tuesday at 7:30 p.m. in Alden lecture room, officers will be elected and plans formulated for the forthcoming season.

During recent years the Heelers, a group of outing enthusiasts from which members are chosen to join the Outing Club, has attracted a large portion of the freshman class. Week-end outings to the club's camp at Bousson, where members participate in hikes and general outdoor sporting activity, are a feature of the Heelers program.

Ticket Plan Scheduled For Bousson Outings

A new system of arranging Bousson outings, the distribution of tickets in advance, will be used by the Outing Club this year, President Elgin MacConnell has announced.

The plan is made necessary in order to plan food quantities and transportation facilities, Mr. MacConnell pointed out.

A well-attended outing was sponsored by the club last week end at Bousson. Wood for the winter season has been gathered and cabins are cleaned and ready for use, Mr. MacConnell said.

Executive board members of the club and faculty members interested in the rehabilitation of Bousson will meet this week to determine the nature of planned improvements, Outing Club officers reported.

New Enrollment Record Is Set

Allegheny College enrollment this year has reached a record 1,045 students, including 646 men and 399 women, college officials have announced.

This year's capacity total tops the record of 1018 set first semester of last year, according to Miss Aileen Dain, college registrar.

According to Miss Dain, there are 254 freshmen, 147 men and 107 women. Last year the freshman class enrollment set a record of 328 students.

Approximately 450 men attending Allegheny this year are service veterans. About 50 of the veterans are freshmen.

Four Added To Library Staff

Four changes in the staff of Reis Library have been announced by Librarian Philip M. Benjamin.

Two new members were named to the circulation staff—Miss Catharine Reynolds, a graduate of Columbia University Library School, and John P. Coughlin, a graduate of Western Reserve Library School.

Miss Dorothea Brush, a graduate of Westminster College, and Miss Norma A. Richard, of Meadville, are the new assistants to the librarian.

Playshop Schedules New Movie Series

The Playshop has announced that tickets are now on sale for the second film series. This series begins Sunday, November 16th, with the showing of Thorne Smith's hilarious comedy, "Turnabout."

Included on the new series are such films as "Ivan the Terrible," four silent Charlie Chaplin masterpieces with Edna Purviance, "Leningrad Music Hall," "The Lady Vanishes," and "Motzart."

S'portraits:
Gridders Rated To Top Titans

Ray Lysowski, fast-charging Gator guard, was unable to participate in the Dickinson game because of a sprained knee suffered in the Oberlin contest, but should be in shape this week. Ray, who carries the unusual and apparently meaningless nickname of "Undine," was a fifth man in the Yeomen's backfield all afternoon, breaking up many a play for minus yardage.

Incidentally, through some error, this page last week reported the Oberlin score as 27-9, whereas the actual count was 25-9.

Westminster, Allegheny's next football opponent, took another one on the nose last Saturday as Thiel basted them, 24-6. That makes three straight defeats for the Titans, who stand a better than even chance to absorb number four from the Blue and Gold. Other scores of Gator foes show that Grove City was beaten, 26-0, by Geneva; Oberlin was trounced by Washington U., 35-7; Mount Union triumphed over Wittenberg, 39-6; while Susquehanna was idle.

Bill Rylander has demonstrated his proficiency in another way than running, namely, place kicking. Bill is batting a thousand percent, having booted one in the Oberlin game and two in the Dickinson contest.

Although the game last week was over 250 miles away, Allegheny was well represented in the cheering section. This week's contest, being only a short drive down route 19, ought to draw plenty of loyal rooters. How about it, gang? Let's get behind the squad!

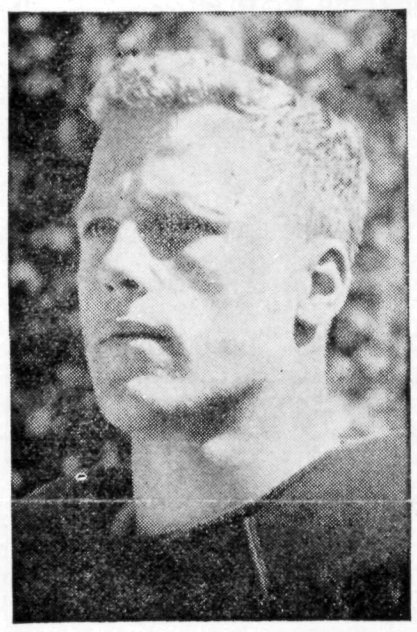

Two Late Dickinson Scores Gain 14-14 Tie With Gators

Allegheny's inspired football team, not at all content with the 14-14 deadlock played with Dickinson last Saturday, is working out vigorously this week in preparation for an invasion of Westminster College at New Wilmington, Pa., this week end.

The Gators looked, for the second straight week, as the best team on the field at Carlisle, and played heads-up ball for three long quarters, holding the Red Devils scoreless. In fact, the Daddio-coached gridders controlled the play until the final ten minutes of the contest, when Dickinson drove 44 yards to score.

End Dave ZURBRICK, who along with Dan Morse, played a major role in the Gators' tie with Dickinson.

Frank POLLARD, hard-running halfback, who raced 38 yards for an Allegheny touchdown last week.

With the Blue and Gold line charging viciously and smothering all offensive thrusts of the Red Devils, Allegheny rolled to a second period score after a 38-yard march. Bob Carman went around end for the final few yards after Pollard, Baker and Rylander had moved the ball downfield. Rylander split the uprights for the extra point and the Gators were out in front at half time, 7-0.

Pollard Dashes 38 Yards

In the third period, Coach Bill Daddio's charges moved the pigskin down to the Red Devil 38-yard line, from where Halfback Frank Pollard stepped off a sizzling jaunt through right tackle for a touchdown. Rylander again converted, making the count 14-0.

Dickinson, set back on their haunches all through the first three quarters by superior line work, finally hit upon a ground-gaining play in the final session and drove 44 yards to score, sparked by a 140-pound halfback, Johnny Lyter of Carlisle. After Lyter hit pay-dirt from the three-yard line, Miller made it seven with a kick from placement.

Penalty Costly

With only five minutes remaining in the fray, the Red Devils launched another attack which carried 45 yards, aided by a 15-yard penalty against the hilltoppers. The final eight yards were covered by a pass, thrown by Jim Abbot into the end zone, where Steve Koblish hauled it down. Miller, with his team needing

Intramural Pragram Set

The fall intramural program, scheduled to get under way very shortly, will not include touch football or soccer, according to Bob Garbark, Allegheny's director of intramural sports.

Citing the lack of playing space as the only reason for dropping these two popular games, Garby nevertheless feels that the resultant schedule, which lists volleyball as the initial undertaking, will provide plenty of interest for both participant and spectator. This year volleyball will be played in leagues instead of tournaments and entries will be drawn from the fraternities and the independent men.

Coach Garbark also intends to introduce wrestling in a month or so, and possibly boxing. Table tennis, long a favorite, is definitly listed for competition as are basketball and swimming later on in the year.

A meeting of all team representatives will be held in the very near future, at which time rules and regulations will be drawn up and schedules compiled. A very slight possibility exists that the meeting might uncover a suitable site for touch football, although Garby is pretty doubtful that he has overlooked any possible contest areas.

The **Campus** intends to devote as much time and space as possible to the complete coverage of intramural sports activities this year, and will carry the complete program when released by the director.

Booters To Face Two Strong Foes

Coach Bill Hanson's soccer team, who opened their season yesterday against a strong Slippery Rock club, will journey to New Wilmington this Friday to engage Westminster.

Not much is known about the Titans' soccer squad as yet, except that they are about as well equipped with experienced men as last year.

The Blue and Gold team, who have the services of ten lettermen available, led by Captain Sam Barco, held spirited scrimmages last week end. Several newcomers showed plenty of fight and talent and may give award winners a good run for starting positions before many games have been played.

Next Tuesday the kickers take to the road again to play at Rochester, N. Y. Always highly rated, and even more so this year, the University of Rochester will prove a difficult opponent to subdue unless the Hansonites develop a scoring punch in their opening games.

W.A.A. Managers Will Be Chosen

Girls wishing to be managers of Women's Athletic Association teams should submit their names at Brooks desk by Wednesday evening, October 15.

Those appointed will serve on the W. A. A. council a half season preceding and during their respective sports.

Barbara Davies will be general manager of this program.

W. A. A. teams include volleyball, basketball, archery, badminton, tennis and softball.

the precious point to affect a tie, booted a perfect kick through the uprights, with only 36 seconds left in the game.

Dickinson, who was rated to take the Gators, was consistently stopped by Ends Dave Zurbrick and Dan Morse, while Center Charley Wright and Tackle Don Hamilton performed well in keeping the middle of the line plugged.

The passing of the Red Devils, an offensive weapon in other games, was throttled by the onrushing Allegheny forward wall all through the battle, while the Gator backfield effectively covered the receivers, and intercepted one Dickinson toss.

Gator Set for Titans

With all hands reported in fine shape, Coach Daddio's squad will enter the Westminster game this week end as the favorite, for the first time in two years. The Titans, however, always play alert ball against the locals, and can be expected to provide plenty of opposition.
