W.22.

April 8, 1927.

Dear Mary Gilson:

I want very much to have a visit with you, just you. Do you ever have time to come up town to lunch, and if so, could you manage it Monday or Thursday of next week?at the National Arts Club? If it is not practical to come up I could come down. What I want to do is to talk with you, just you.

Affectionately,

Miss Mary Gilson,
