My dear Miss Tarbell:

Yesterday while in Titusville, Pennsylvania, I was talking to Miss Rosa Bennett who kindly supplied me with your present address at Bethel.

Under separate cover I am sending you a little Christmas present. This is an old fashioned autograph album which apparently once belonged to Minnie F. Martin. You will find that on June 20, 1879 at Allegheny College you wrote in this book and signed it for the owner.

May I wish that looking through this old album will recall for you pleasant days and many old friends? A very Merry Christmas to you too.

Sincerely yours,

Ernest C. Miller
