MEADVILLE, PA.

OFFICE OF THE PRESIDENT
WILLIAM PEARSON TOLLEY

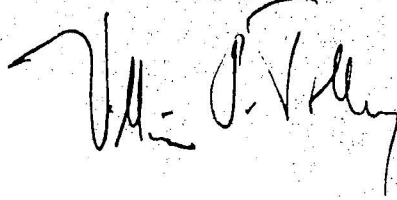

November 22, 1938

Dear Miss Tarbell:

Wednesday, November 30th at three o'clock will be very satisfactory for me. I am glad it is equally acceptable to Mr. Mills.

Within the next day or two we are hoping to forward a list of names already considered by the faculty members of our honorary degrees committee. No final action has, of course, been taken on any name and the list is simply for purposes of discussion.

Sincerely yours,

Miss Ida M. Tarbell
