

**THREE SUTTON PLACE**

November 22, 1933

Dear Miss Tarbell:

Here is the Jury, by fields. If you wish any special information about any of them, I will gladly try to get it. I think, however, you know them all very well, except possibly Miss Dorothy Shaver, who is Vice-President of Lord and Taylor's and most successful in that field.

Sincerely yours,

*Ida M. Morgan*
