

October 21-

Dear Miss Shelby,

Please

thank Miss Tarbell with
all my heart for thinking
of me in connection
with the reception in
January. I appreciate the
honor and wish it
were possible for me to
accept. But I don't
have now being in
New York this winter

and especially not in

January as I have
several lectures engagements
in the week about that
time.

Please give my warmest,
most cordial greetings to
dear Miss Tarbell, and
again all my thanks
for the invitations from
the Club.

Cordially yours

Dorothy Sanford Fisher
