

GOLDIE & GUMM
1540 BROADWAY
NEW YORK

July 24th, 1926.

Miss Sarah A. Tarbell,
R. F. D. No. 3,
Bethel, Connecticut.

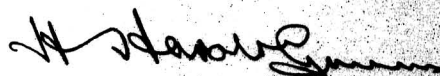

My dear Miss Tarbell:

I have yours of the 23rd inst.,
in reply to mine of the 20th inst. addressed to
your sister, Ida May Tarbell.

I note that you will be in New
York next week at which time you will communicate
with me in reference to the proposed lease between
your sister and the Shubert Theatrical Corporation.

Inasmuch as the show goes into
rehearsal shortly, and if the sketch is to be incor-
porated therein, the Producer will have to start
work immediately upon the set, the arrangements will
have to be consummated without any possible delay.
Therefore, will you please advise me by phone as
soon as you arrive in the City, so that we can make
an appointment to go over the matter?

Yours sincerely,

HHG:ES
