

August 31, 1931

My dear Miss Chandler:

Thank you for sending me the editorials on Mr. Young's St. Lawrence speech. I shall digest them promptly and return to you.

I was promised, too, the copies of the correspondence which led to the speech. Mr. Case understands what I mean. Should I jog his memory or will you send it to me?

I am hoping to see you one of these days.

Very sincerely

Miss Gertrude Chandler
