

DE WINTON

GREENWICH
CONNECTICUT

October 20, 1898.

To Mrs Ida Tarbell.

President. The Pen Club.
or the Secretary.

I am very glad to second
the application of Mrs Sara Dean
7130 W. 47th Street as a Pen member of
the Club. Mrs Dean was President
of the Spicers Club of San Francisco
an artistic & literary woman
of which my sister Mrs Powers was
vice president & then her well as
a desirable club member. Mrs
Dean has had books published
of French Stories &c. and I believe
will be a valuable member for
the Club during year.

Wm Thompson Peter.

Mrs Valeria Parker
will also endorse her, and Mrs Sleeth if
she is still a member.

Will positively post the enclosed at
earliest moment.
