

1876

THE CAMPUS

OF ALLEGHENY COLLEGE

1913

VOLUME XXXI.—NUMBER 21.

MEADVILLE, PA., MAR 18, 1913.

BASKETBALL TEAM WON TWO GAMES LAST WEEK

Geneva and Grove City Were Easy Victims on Home Floors.

With Geneva and Grove City rather easily defeated in the basketball trip of the past week, the 'varsity five more than likely will again be returned the basketball champions of Western Pennsylvania. The team left on last Thursday morning for Beaver Falls where the gold and white was taken into camp by the score of 43 to 15. On the night following Grove City was thoroughly trounced at Grove City by the score of 36 to 9. It was a successful invasion of the enemy's territory in every sense of the word and the gold and blue displayed wonderful work on both occasions. Considering the absence of two regulars from the line-up, the work of the players was certainly commendable. The Geneva game was preceded by a fast preliminary between Hill High School and Allegheny High, after which Allegheny and Geneva lined up. Geneva was completely overcome by the fast work of Allegheny and failed utterly to find the basket during the first half by the field goal route, getting only two points on free throws. Allegheny, in the meanwhile, had repeatedly connected with the ring, Hawk and Dunbar especially starring in this department of the game with four baskets each. The first period ended 26-2. In the second half, the substitutes were put in the game, and the score still continued to pile up. In this period Geneva managed to take a brace and scored 13 of their total of 15 points, when Quay and Patterson both found the ring for the gold and white. Allegheny on the other hand found the basket for 17 points and when the whistle blew the score stood 43 to 15. Hawk and Dunbar played unusually strong games for the 'varsity, while Patterson and Quay proved the mainstays for the Beaver Falls team. The treatment the team received at Geneva was of the best.

Following is the line-up and summary:
Allegheny—43. Geneva—15.
Nichols R. F. Quay
Cox, Mates L. F. Todd
Hawk, Capt. C. Patterson, Capt.
Dunbar R. G. Clyde
Lindberg,
Ramsey L. G. Park
Summary: Field goals—Hawk 8, Dunbar 6, Nichols 3, Cox 3, Quay 3, Patterson 2, Todd. Foul goals—Hawk 5, Quay 2, Clyde 1. Referee—Metheny of Carnegie Tech. Time of halves—20 minutes.

At Grove City.
On Friday the gold and blue appeared on the Grove City floor for the first time in some years. The game was very late in starting on account of a disagreement between the captains as to the rules to be used. Grove City has been in the habit of using A. A. U. rules while Allegheny has been playing under Intercollegiate rules for the past few years. After a great deal of discussion, it was finally decided to play A. A. U. rules the first half and Intercollegiate the second period. After considerable arguing a regular Spalding ball was used for the lighter one which Grove City desired to substitute. When the game was finally started, Coach Dunlap's braves showed a brand of basketball that was far superior to the red and white. Although after a short period of play

Continued on page four.

The Calendar

TO-DAY, 8:00 p. m.—Glee Club concert, in the Stone Church.
WEDNESDAY, 6:45 p. m.—Livingstone memorial service, in the Chapel. Leaders, President Crawford, Dr. Breed and Professor Ross.
THURSDAY, 4:30-6:00 p. m.—Senior Tea, in parlors of Hulings Hall.
6:45 p. m.—Mission Study, in the Oratory.
8:00 p. m.—Inter-class indoor track meet.
FRIDAY, 12, noon—Easter vacation begins.
TUESDAY, April 1, 8:10 a. m.—Classes resume.

Baseball Schedule

Twelve Games Being Arranged—Four at Home.

Manager Peterson has just about completed the schedule for the coming baseball season and the games as booked are given below. A glance will suffice to show that good teams are to be met. There are a number on the list that are old opponents of Allegheny and have always put up the hardest kind of games. Also several contests are to be with institutions, which in athletics, are as yet unknown quantities to Allegheny. Similar to two years ago, when the Japanese University of Kelo played at Meadville, it will be noticed that on June fourth the Chinese University of Hawaii will be here. With the coming of the present nice weather interest in baseball has, of course, naturally been revived, but it seems that it is considerably stronger than in former years. The prospects are very bright for a winning team. Following is the schedule:

April 19—Pitt, at Meadville.
April 25—Northwestern State Normal, at Edinboro.
April 26—Carnegie Tech, at Pittsburgh.
May 3—Carnegie Tech, at Meadville.
May 17—Grove City, at Grove City.
May 21—Grove City, at Meadville.
May 27—Pitt, at Pittsburgh.
May 28—West Virginia, at Morgantown.
May 29—West Virginia, at Morgantown.
May 30—Geneva, at Beaver Falls.
June 2—Alfred University, at Alfred, N. Y.
June 4—Chinese University of Hawaii, at Meadville.
The games with University of West Virginia, Geneva and Alfred are tentative.

Play Not Selected

Faculty and Duzer Du Not Yet Able to Agree on Play.

Duzer Du chose another play entitled "Trelawney of the Wells" at their last meeting. The one chosen before was the "Magistrate, but it failed to meet the approval of the Faculty, in that it was lacking in the essentials required of a Duzer Du play. After looking over a number of plays, some of which had been written by local talent, the club chose "Trelawney of the Wells" in the hope of meeting the approval of the Faculty. Copies have already been sent for and it will be presented to the Faculty at their next meeting. In case the play meets approval, tryouts will be held immediately after vacation and the performance will be given as soon as possible. Duzer Du as a dramatic club has been in existence for the past five years and has presented four plays in the local theater. Last year Shakespeare's "Comedy of Errors" was given with great success and the year before that Sheridan's "School for Scandal" met with the unanimous approval of the public. It has been the custom for the dramatic society to alternate with the Glee Club in giving a performance at commencement time, so in view of the fact that the Glee Club had the concert last spring, a play may be given at this commencement.

Dr. Cobern Busy

Assisting in Important Discoveries in Ancient Egypt.

The many friends of Dr. Camden M. Cobern of Allegheny College will be glad to know that he is having an enjoyable and profitable time in Egypt. President Crawford has just received a letter, dated Abydos, Egypt, Feb. 4th, in which the doctor says: "We have made here what I suppose is the greatest find of the year in Egypt—a cemetery of Ibises, beautifully mummified and put up in bandages or shrouds as carefully made and finely decorated as any worn by dead Egyptian princesses. I would not have missed being with Mr. Peet and Mr. Loat when they made the sensational discovery of the season for anything you can mention."

C. S. BURWELL, '14, TO EDIT "LIT" MONTHLY

New Board to Take Charge After Easter Vacation.

At a meeting of the Electoral Committee for the Literary Monthly, composed of the head of the English department and the editors of The Campus and Literary Monthly, held on Saturday afternoon, the following board was chosen for the coming year:

Editor-in-Chief—C. Sidney Burwell, '14.

Assistant Editor—P. H. Nichols, '14. Associate Editors—J. R. MacGowan, '14, Miss Alice Chapin, '15, Miss Lucille Lippitt, '15.

This board will take charge of the magazine after the Easter vacation.

Mr. Burwell has been a frequent contributor to the Literary Monthly for several years and has shown particular ability in this line, he serving as associate editor on the board this year. All the other members of the board were chosen on account of special ability along this line, and because of their work of the past year.

An additional member has been added to the board in the assistant editor, the purpose of this being to divide the work of the various members and to allow for a wider range of choice in the departments.

Interclass Champions

Freshmen Easily Defeat Sophomores in Final Game.

The inter-class championship was decided on last Saturday afternoon when the speedy Freshman five triumphed over the Sophomore team by a score of 28 to 18. Up to this time the two underclasses had been tied, with two victories a piece. Both teams were primed for the affair of last Saturday afternoon and it was soon evidenced that last year's champions had a hard proposition on their hands when the neophytes began. The loyal supporters of 1915 and 1916 lined up on the sidelines and with vociferous cheers urged on their respective classmates, while the Seniors and Juniors added to the noise by their frequent yells. The game started with the Freshmen scoring, and after that early lead they were never again surpassed by the 1915 tossers. The neophytes put up a very clever game in the first period and the half ended in their favor with a score of 17 to 9. The second half started with the usual roughness characteristic of inter-class games and before long several on both teams were removed from the game for exceeding the personal foul limit. The main feature of this period was the close guarding resorted to, which in a way accounted for the numerous fouls, and to the small number of field goals thrown by both teams. The scarlet and white managed to get two, and their successful rivals only one.

For the Freshmen, Captain Bash was undoubtedly the star, not only getting 16 out of 23 free throws, but also scoring a field goal. McKay was also one of the leading point getters for the neophytes, while M. Dotterrer acted in a like capacity for the "Centennials." Captain Ricker played a hard game for his team and at times showed exceptionally clever floor work. These class games have created an unusually large amount of class spirit, besides bringing out a large number of men who will likely be varsity material in future years. The regular schedule arranged by Coach Dunlap proved to be more than a success and will undoubtedly be continued next year. Following is the summary and line-up:

Freshmen—28. Sophomores—18.
Harper, Dundon R. F. Doran, Gilbert
Bash, Capt. L. F. Newlin,
Brownell
McKay, Kramer M. Dotterrer
Colt R. G. Robinson, Long
Arnold, Scott L. G. Ricker, Capt.
Field goals—McKay 3, M. Dotterrer 3, Harper 2, Gilbert 1, Bash 1, Robinson 1, Ricker 1. Foul goals—Bash 16, Ricker 4, Gilbert 1, Newlin 1. Referee—Metheny of Carnegie Tech. Time of halves—Fifteen minutes.

Allegheny Life

Portrayed in Play "Every Day at Allegheny" by Young Ladies.

The Y. W. C. A. presented a six-act farce entitled "Every Day at Allegheny" before a large and appreciative audience in the Gymnasium on last Saturday night. It was unique in every detail and showed a great deal of work on the part of the girls. The scenes from every day college life were some times so realistic that the audience was almost shocked at some of the take-offs. In its classic resemblance, the production vied with the ancient stage of Shakespeare's day and showed that the playlet was thought out with a great deal of care and precision. In the interludes, between the acts, the college orchestra made its initial appearance of the year and discoursed popular music throughout the evening. Hulings Hall dainties were also for sale by the members of the Y. W. C. A. during the evening, and found plenty of customers.

The first act represented a scene from Miss Spalding's Public Speaking room, during a Freshman recitation, and was exceedingly realistic to the minutest detail. A shadow curtain love scene in this act was a feature of the play. The second act was one of the most elaborate of the entire evening, for it represented a scene in Chapel with all its complexities. The entire faculty was present, even the organ was called into play. Miss Hutchinson, '13, took the part of Dr. Crawford, and the rest of the Faculty found themselves at ease in looking the student body in the face. The third act represented a caller at Hulings Hall. It was reproduced in perfect style and all the well known characteristics of the "fussers" were brought in. The fourth act was entitled "At a Hulings Hall Gym Class" and some clever gymnastics, in the form of a "Folk Song" were executed by a chorus of twelve girls dressed in characteristic German style. The efforts of the participants were repeatedly encored. The fifth act, entitled "Duzer Du Presents When Julius Sees Her," was a little farce tragedy by Miss Rose Williams, '13, Miss Marion Carroll, '14, and Miss Florence Downing, '16, and was enacted in the up-to-date Klee-O-Kleet style. The story of the plot revolved about a doughnut at the time of the mighty Caesar, in which all of the participants died in the usual tragic manner. The sixth and last act was entitled "The Quiet Hour" in Hulings Hall and this scene as those preceding was reproduced with all the typical characteristics of a night at the dormitory. Gossip, fudge making, and every thing that goes to make up a pleasant time for the girls was enacted in vivid style, even to a serenade under the dormitory windows.

Athletic Election

President, Delegate-at-Large and Two Managers Chosen Saturday.

The annual election of the Athletic Association was held in Bentley Hall on last Saturday morning from 10:30 to 12:30 with B. B. Breckenridge, '14, secretary-treasurer, in charge. The candidates, whose names had been posted on the bulletin board since Thursday morning were: J. R. MacGowan and LeRoy Ramsey for president; W. S. Lane and P. W. Johnston for delegate-at-large; G. A. Shaner and L. M. Witherup for assistant football manager; and Isadore Cohen and F. W. Fabian for assistant track manager. The new officers elected were LeRoy Ramsey, '14, president; W. S. Lane, '14, delegate-at-large; G. A. Shaner, '15, assistant football manager; and F. W. Fabian, '14, assistant track manager. The election was unusually close, in most cases there being only a few votes difference between the candidates. The new officers that were elected on last Saturday will fill their respective positions in the next school year, except the assistant track manager, who will assume his duties immediately. The assistant managers will be the regular managers after serving one year as assistant. The elections in the fall and those at this time of the year constitute the selection of the chief officers of the association.

ALLEGHENY SECOND IN THE DEBATING LEAGUE

Affirmative Team Loses at Home and Negative Wins at Pitt.

Allegheny won and lost last Friday evening in the annual inter-collegiate debates when the negative team won from the University of Pittsburgh, at Pittsburgh, and the affirmative team lost to the University of Wooster in Ford Memorial Chapel, on the question, "Resolved, that the several states should adopt the principle of compulsory arbitration for the settlement of all labor disputes, constitutionality aside." The University of Wooster won from the University of Pittsburgh, at Wooster, which gives them the championship of the league.

The debate in Ford Chapel was well contested from start to finish and few ventured a guess as to the final outcome until the decision of the judges was announced. Both teams were well prepared and showed a thorough familiarity with every detail of the subject, and their arguments were forcibly and clearly presented. Dr. Breed presided and introduced the debaters in their order of speaking.

C. V. Sparling, '13, spoke first for the affirmative and outlined the constructive argument by giving the four main points upon which the affirmative based their contentions as (1) The elimination of the effects of the labor disputes, (2) Present methods and conditions are such to demand a remedy, (3) Justice to the public demands compulsory arbitration, and (4) The proposed principle will work. Mr. Sparling then went on to show how compulsory arbitration would eliminate labor disputes and how the public suffers at the hands of strikes.

Mr. S. G. McCann, of the negative, followed and gave the main points of the constructive arguments of the negative as, (1) No need of such system of arbitration, (2) Results are evil, (3) Wrong in principle, and (4) Impracticable. He proceeded to show that the strikes in this country are not of serious enough consequence to demand compulsory arbitration. W. J. Armstrong, '16, followed with the constructive argument of the affirmative and J. L. Mason for the negative. J. R. MacGowan, '14, and D. V. Beery finished the constructive argument for the affirmative and negative, respectively. The order of speaking in the rebuttal was McCann, Armstrong, Mason, Sparling, Beery, MacGowan, MacGowan and Beery being especially brilliant in the rebuttal. The rebuttal was probably the most interesting part of the debate and showed the relative strength of the two teams. After a short deliberation the judges awarded the debate to Wooster by a vote of two to one. The judges were, Warren W. Hole, Esq., ex-judge and practicing lawyer at Cleveland; John C. Diehl, of Yale, now principal of the Erie high school, Wells L. Griswold, trust officer of the Dollar Savings and Deposit Company of Youngstown, O.

At Pittsburgh the negative team seemed to have things their own way and the Pittsburgh Dispatch speaks very highly of their work. The following is taken from the Dispatch of Saturday morning:

"Allegheny College's trio of debaters won over the three of the University of Pittsburgh in the first intercollegiate debate here last night, the judges awarding the laurel to the Meadville orators, 3 to 0. What is pleasant about the event was the general agreement that the court was right and no recall of judges was necessary. The subject was the policy of compulsory arbitration in labor disputes. The chairman was Chancellor S. B. McCormick and the judges were Prof. J. H. Bausman, of Washington & Jefferson College; the Rev. Charles Schall, First Presbyterian church of Greensburg, and A. T. Morgan, of Wilkensburg. Of course, the decision was not on the merits of the question but solely upon the merits of the arguments and forms of the speakers. The teams were: Pitt, D. D. Porter, E. B. Goldsmith and R. L. Huff; Allegheny, O. C. McLean, E. J. Hall and H. J. Wieler. Messrs. Wieler and Huff were especially effective on their respective sides."

THE CAMPUS

OF ALLEGHENY COLLEGE

Established 1876

Entered as second-class matter October 30, 1904, at the Postoffice at Meadville, Pa., under the Act of Congress of March 3, 1879.

Published every Tuesday morning during the academic year by a staff of editors selected on a competitive basis from the students of Allegheny College and devoted to the interests of the college and its community.

Subscriptions \$1.50 a year; \$1.00 in advance. Single copies 5 cents.

The Campus is forwarded to all subscribers until an explicit order is received for its discontinuance, and until all arrearages are paid according to law. Subscribers are requested to inform the Business Manager of any change of address.

Communications intended for publication should be sent to the Editor or dropped in the box in the main hall of Bentley before 9:00 a. m. Saturday.

MARCH 18, 1913.

The work of the two debating teams in the intercollegiate debates of last Friday night is worthy of the highest praise from the student body. The long and tedious work which was necessitated to familiarize them with the subject, is one of the most trying things in any of the college activities and the college is grateful to them for their sacrifices in upholding the forensic honors of the college. One unanimous decision in their favor and another against with a two to one vote is not a bad record. And the best thing to do is to wait until next year and capture first place of the league.

Special credit is due to Professor Swartley for his efforts and the work which he put on the debates. The fact that only one veteran debater was in school made his work doubly hard and hence additional credit is due him. However, with two old debaters in school for next year and an abundance of varsity material already in line, the forensic interests for the coming years are by no means on the downward path.

Edwin G. Conklin, of Princeton University, in his recent striking address before the American Society of Naturalists, pointed out as one of the greatest needs of education, more than anything else, some means or system which will train the powers of self-discovery and self-control.

"Easy lives and so-called 'good environments' will not arouse the dormant powers," he says. "It usually takes the stress and strain of hard necessity to make us acquainted with our hidden selves, to rouse the sleeping giant within us. How often it is said that the worthless sons of worthy parents are mysteries; with the best of heredity and environment they amount to nothing; whereas the sons of poor and ignorant farmers, blacksmiths and tanners, with few opportunities and with many hardships and disadvantages become world figures. Probably the inheritance in the last-named cases was no better than in the former, but the environment was better. 'Good environment' usually means easy, pleasant, refined surroundings, 'all the opportunities that money can buy,' but little responsibility and none of that self-discipline which reveals the hidden powers, and which alone should be counted good environment.

"College athletics has this much in its favor, that it trains men who take part in the contests to do their best, to subordinate pleasure, appetite, the desire for a good time, to one controlling purpose, it trains them to attempt what may often seem to them impossible, to crash into the line though it may seem a stone wall, to get out of their bodies every ounce of strength and endurance which they possess. Such training makes men acquainted with their powers and teaches courage, confidence and responsibility. If only we could make our young persons acquainted in some

similar way with their hidden mental and moral powers, what a race of men and women might we have without waiting for that uncertain day when the inheritance of the race will be improved! Whatever the stimulus required, whether pride or shame, fear or favor, ambition or loyalty, responsibility or necessity, education should utilize each and all of these to teach men self-knowledge and self-control."

—Ex.

NEW CATALOGUE APPEARS.

The college catalogue for the current year appeared during the last week and has been distributed among the students and many copies mailed to outside friends and prospective students. In a number of ways, it is distinguished from the preceding number. The first noticeable thing is the placing of the "new old seal" of the college on the cover page of the book. Aside from this, the catalogue in general appearance is the same as formerly.

However, in looking over the courses inside, several changes will be found. The most important seems to be those which have to do with the English and Public Speaking departments. English I. is raised to a three hour subject, the reason for this being the inclusion under this head of what has been English II. The other English courses have necessarily been moved up one in number. With the raising of English I. to three hours, English Bible I. has been reduced to a single hour subject. Also affecting Freshmen, Public Speaking I. has been made elective. Other courses have not been materially affected except those in the German department, the numbers of some of which have been changed. However, the Engineering and Graphics courses, which for so long a time have been a feature of the catalogue have entirely disappeared from the new book.

On page fifty-five occurs an announcement of considerable interest. It is that of the provision for the endowment of a chair of Philosophy and Education by Mr. Truman D. Collins. Under the head of clubs, the two former scientific societies are not to be found, but there appears a new one called the Philo-Franklin Forum formed by merging the old Philo-Franklin Literary Society with the present Forum. There also appears notice of a new oration prize secured by the raising of a fund by the members of the aforesaid old Philo-Franklin Literary Society. In the summary of registration there is shown a total of 406 as against 369 in the preceding book or a gain of ten per cent over last year. On the last few pages space is given to the description of the summer school instituted this last season.

DR. SNAVELY LEADS UNION PRAYER MEETING

The regular monthly union meeting of the Y. W. C. A. and Y. M. C. A. was held Wednesday evening in the Chapel. Dr. Snavely spoke on learning to be a gentleman or gentlewoman while here at school, and showed what a gentleman included. He illustrated his point by a comparison of a college student, cheating in his classes, with Jacob, deceiving Isaac to receive the aged father's blessing. "A gentleman means a nobleman, and a true nobleman does not do the things that are underhanded and beneath a man's notice." He emphasized the point of studying, not for marks, but for the good the student himself will gain from such study and the real value he will lose by cheating, not the teacher, but himself. The talk throughout was thoroughly practical.

BISHOP THOBURN, '57, PLANTS TREE ON CAMPUS

Last Wednesday afternoon Bishop James M. Thoburn, '57, fittingly commemorated his seventy-seventh birthday by planting a hard maple tree on the southwestern portion of the athletic ground, just below the gymnasium. The new tree is of very sturdy growth and about two inches in diameter. It was placed in an appropriate opening across Main street from the Hammett elm, which was planted about 60 years ago, just in front of and below Ruter Hall, by Doctor Hammett, who was a professor in Allegheny at that time. No speeches were made on this occasion and the planting took place with short, but impressive ceremonies.

GLEE CLUB IN FIRST HOME CONCERT TONIGHT.

The concert to be given by the Glee and Mandolin Clubs tonight in the Stone Church is being looked forward to with much pleasure by the students and the town people as well. There is a natural interest in the Clubs among the home people, but the concerts that have been given so successfully out of town assure the rendition of an excellent program before a familiar audience. The Clubs are in fine training in anticipation of this first appearance at home. As for the soloists who are to perform, their reputations have been secured.

PHI DELTA THETA FOUNDERS' DAY BANQUET.

The annual Founders' Day Banquet of Pennsylvania Delta of Phi Delta Theta fraternity was held in the chapter house Monday evening. Dinner was served at six o'clock and was followed by toasts from alumni and active members. Dr. W. A. Womer, '00, of New Castle, Pa., acted as toast master. Among those present were Dr. A. Elliot, Prof. C. F. Ross, Prof. W. D. Lewis, '05, Olin C. Jones, '07, of Conneaut, O., Ernest C. Parshall of Erie, Dr. W. B. Irwin, and T. S. Meek, '80, Tennessee Alpha.

THETA DELTA PSI CELEBRATES FOUNDERS' DAY.

The ninth annual Founders' Day Banquet of the Theta Delta Psi fraternity was held at the chapter house on North Park Avenue on last Saturday night with a large attendance of alumni present. After an eight course dinner, the following toast list was given:

C. B. Winn, '13—Toastmaster.
Welcome.
On High Seas—I. D. Ford, '11.
Music—Mandolin Quartette.
Outward Bound—P. V. Kline, '13.
Duet—J. M. Sherman, '15, L. B. Angus, '12.
In the Harbor—S. L. Sheets, '16.
Music—Orchestra.

MOTHER OF O. J. GRAHAM, '15, DIES AT OIL CITY.

Mrs. L. L. Graham, mother of Orson J. Graham, '15, died on Friday afternoon at her home in Oil City. Mrs. Graham was ill but a short time and it was with the deepest regret that her friends learned of her death. The funeral services were held in the Graham home at 2:30 o'clock Sunday afternoon and were attended by several Meadville people among whom were several members of the local chapter of Phi Delta Theta.

MISSION STUDY.

The weekly mission study class was held in the oratory of the Chapel on Thursday. Dr. Crawford made a rapid survey of chapters 2 and 3 in Dr. Strong's "Challenge of the City," outlining these chapters in a comprehensive and interesting manner. In chapter two, "The Modern City a Menace," he pointed out that it was a menace to itself when it becomes materialistic: i. e., when its intellectual and moral development is not commensurate with its physical growth. He also pointed out that the interdependence in the modern city is so great that a much higher moral sense is needed. The modern city is also a menace to the state and nation because the city governs the actions of the state and determines our national policies. This danger to the nation is so great that English Ambassador Bryce warned the American people that they must reform their municipal government if they wish to retain their place in the foremost ranks of the nations of the world. Dr. Crawford also gave a rapid outline of the third chapter on the "New Patriotism."

The growth of the suffrage movement among the girls is reported as being one chief reason for the resignation of Dr. James L. Taylor as president of Vassar College.

On February 22, James I. Wendell, of Wesleyan University, Middletown, Conn., established a new world's record for the 50-yard indoor hurdles, negotiating the distance in 6.25 seconds. The record was made during a meet with Brown University at Providence.

If it is either MEDICINE, DENTISTRY, PHARMACY or CHEMISTRY, do not fail to learn the advantages of

The Medico-Chirurgical College of Philadelphia

It is in the city which has been and still is the American Center of Education in these Sciences. It has Departments of and grants Degrees in all four of them. It has its own Buildings, comprising well-planned and well-equipped Laboratories, a large and modern Hospital, and the finest clinical Amphitheatre extant. Its Courses in each department are carefully graded. It has abundant and varied Clinical Material. Its faculties are renowned and of high Pedagogic ability. Its training is essentially and thoroughly practical. Special Features are Personal Instruction and Individual Work; Free Quizzes; Ward Classes limited in size; Practical Clinical Conferences; Modern and Modified Seminary Methods; Special Lectures by eminent Authorities; Practice and Training in Technique, etc., etc.

Write today to the Dean of the Department in which you are interested for announcement describing the course and containing full information as to fees. Compare the advantages this college offers with any other before making a final decision.

Seventeenth and Cherry Streets, Philadelphia, Pa.

News Items

C. E. Hinckley, '13, was called home last week because of the illness of his mother.

Warren B. Cole, '11, of Andover, O., was the guest of Delta Tau Delta the latter part of the week.

Lester Witherup, '15, who is ill in the City Hospital with typhoid-pneumonia, is reported as slowly improving.

A. D. Andrews, '08, was called away from his studies in the Harvard Law School to his home in Meadville on account of the death of his sister, Miss Gertrude Andrews.

Last Tuesday evening the members of the Delta Tau Delta fraternity were delightfully entertained at a progressive dinner by Miss Minnie Wilkinson, Miss McClurg and Miss Davenport.

John H. McKinney, '09, has opened an office for the practice of law in Franklin, Pa. Mr. McKinney graduated from the Dickinson Law University in 1912, receiving the degree of L.L.B. and A.M.

Last Tuesday was really Allegheny "arbor day" for in addition to the tree planted by Bishop Thoburn, '57, ten others were planted on various parts of the campus. Three elm trees were planted along the walk leading to the entrance of Montgomery Field to complete the elm archway there, three hard maples north of Cochran Hall and four others on the grounds adjoining Alden Hall.

Preliminary to the debate last Friday night, assembly morning in Chapel was given over to a rally for the contest of the evening. Leroy Peterson, '13, and Miss Mary Sansom, '14, made strong talks to the student body and President Crawford followed with a plea for the support of this branch of college activity and extracted his usual promise from the students in the form of a rising vote.

Nearly forty of the young ladies and men of Allegheny College visited the county farm Sunday afternoon. The students called at the different rooms, giving to each inmate a large carnation. Songs were sung and devotional exercises were conducted by the visitors. Several times each year the students journey to this place and each time it is with increased pleasure that the inmates receive them.

Mr. John Raymond Crawford, '06, has been awarded a Fellowship for Research in Classical Archeology by the American Academy in Rome for the scholastic year 1913-14. The award was made on the recommendation of the American Institute of Archeology. Mr. Crawford was already under appointment of Columbia University to spend the year in Rome and Naples. The fellowship will give him added opportunities for research in his chosen field of Roman archeology.

Last Wednesday morning at Chapel, the Rev. Mr. Smith, pastor of the First Presbyterian church of Warren, Pa., gave a very interesting talk on "Sand." The speaker spoke of the wonderful opportunities which lie all about us today, and emphasized the value of grit and "stick-to-it-iveness" in meeting the problems of life. "Man erects masonry and great abutments and the ocean batters them down. Nature just puts sand in the way of the ocean and stops it. That is what we need—sand."

At the meeting of the Modern Problems Club held last week, Leroy Peterson, '13, was elected delegate to the convention of the Inter-collegiate Civic League which will be held in the east April 11 and 12. The business sessions of this convention will be carried on in New York City and after they are finished the convention will move to Washington, D. C., where they will be entertained by the prominent men there, who are honorary members of the League, among whom is Oscar W. Underwood. They will be given a luncheon by President Wilson.

The annual dinner of the Pittsburgh Alumni Association will be held at the Monongahela House on Friday evening, March 28th, at 6:30. John L. Porter, '90, will be the toastmaster and the toast list includes other well known alumni of Pittsburgh and the vicinity. The meeting of the Pittsburgh Association is always an informal, jolly, get-together for a good time. The invitation to the affair speaks about an orchestra and plenty of college songs. The alumni of Pittsburgh have always been noted for their loyalty to their alma mater and all their meetings generally overflow with college spirit.

The active chapter of Phi Gamma Delta was most delightfully entertained

by the active chapter of Phi Kappa Psi at a smoker in their fraternity house on North Main Street on last Thursday evening. Amusements of various kinds afforded entertainment for the guests, while pleasant conversation soon whiled away the evening. Choice smokes were on hand for the partakers of the "weed" and at a late hour dainty refreshments were served. This is one in the series of inter-fraternity smokers that have been inaugurated this year and they undoubtedly better the college spirit as well as get the men better acquainted.

HULINGS HALL.

Miss Elizabeth Lord, '13, Editor.

Mrs. Woodring was the dinner guest of Miss Gay Kellogg, '14, Sunday.

Mrs. A. J. McDonald of Union City, was a guest of her daughter, Miss Fawn McDonald, '13, Wednesday.

Miss Ethel Andrews, '08, was a guest of her niece, Miss Marian Whipple, for dinner Saturday evening.

Miss Frances Norton, '13, was the week end guest of Miss Margaret Ross, '16.

Miss Bernice Thoburn, '16, was the dinner guest of Miss Emma Waring, '15, on Sunday.

Mrs. Nellie Hodson of Youngstown, Ohio, spent the past week end at the Hall, the guest of her sister, Miss Laura Strickland, '13.

Mrs. C. M. Barnes of Albion spent Monday at the Hall, the guest of Miss Georgia Roberts, '16.

Miss Harriet Johnson, '07, spent Sunday with Miss Mary Sansom, '14. Miss Johnson is an investigator for the Children's Aid Society in Baltimore.

The Y. W. C. A. meeting on Sunday evening led by Miss Mary Barkley, consisted of a short scripture lesson on the resurrection, after which the following musical program was rendered: Piano solo, Miss Lois Foster, '16; violin solo, Miss Edith Sutton, '15; vocal solo, Miss Rose Williams, '13.

The Senior Tea was held as usual in the parlors of Hulings Hall last Thursday and was unusually enjoyable. Suggestions of St. Patrick's Day were carried out in the decorations and souvenirs. Miss Marie Poux and Miss Eva McKinney were the hostesses and Miss Helen Harper and Miss Elsie Williams poured.

TENNIS ASSOCIATION MEETS.

A very important meeting of the Tennis Association was held in the trophy room of the gymnasium at one-thirty on Wednesday afternoon. The meeting was for the purpose of taking action upon the proposal that the Tennis Association should enter the Allegheny College Athletic Association and be under its full control. It was finally decided to petition the Athletic Association for membership on the grounds that it would in every way benefit tennis to be under the control of the athletic board. As it was too late for a manager to be elected by full student vote as is the custom for electing managers, H. F. Brownell was elected by the Tennis Association.

BIRTH OF DAVID LIVINGSTONE TO BE CELEBRATED.

March, the nineteenth, is the one hundredth anniversary of the birth of David Livingstone. While his name is familiar to all, there is too little definite knowledge of his wonderful achievements. It is hoped that none of the students of Allegheny will miss the opportunity of reading something about this great explorer, scientist, and missionary. Nearly all the church papers and many of the periodicals make the material especially available at this time. Special plans are being made for the celebration of his birthday at a service tomorrow night. The cooperation of all the students and Faculty is desired by the two Christian Associations in making this event one which we will all remember. You can help by learning something about Livingstone right away, then you will appreciate the special service of the 19th.

Y. W. C. A. OFFICERS.

At the election of officers for the Y. W. C. A. for the coming year, held in Hulings Hall yesterday, the following persons were chosen:

President—Miss Muza Anchors, '14.
Vice-president—Miss May Girsham, '14.

Secretary—Miss Mary Barkley, '15.
Treasurer—Miss Esta Ebaugh, '15.
Advisory Member—Miss Rowley.

BASKETBALL TEAM WON TWO GAMES LAST WEEK.

(Continued from page one.)

Allegheny did take the lead, yet the game was very fast and the crowd was thoroughly excited, especially when they hissed the referee on several occasions. Dunbar had the misfortune to be laid out in the first few minutes of play with some of the ligaments torn in his ankle and his place was taken by McNulty, who played in excellent style for his first 'varsity game. Mates, Hawk, Lindberg and McNulty all found the basket during the first period, while McGranahan was the only Grove City player who was able to locate the ring. The first half ended 20-6.

The second period was mainly a repetition of the first, in which the red and white only secured three points while Allegheny added 16 to the total score, making the final result 36-9. The effective work of Hawk was especially prominent in this half, as well as throughout the game. Many times by his fast work, "Louie" evaded his opponent to cage a successful basket. Mates also played a good game and his floor work and shooting kept Grove City guessing. Too much credit cannot be given to the entire team for the way they performed in both games. The last game of this trip scheduled for Saturday night against Carnegie Tech was cancelled by the Tech management.

The following is the line-up and summary:

Allegheny—36. Grove City—9.
Mates R. F. McGranahan
Nichols, Cox L. F. McCord
Hawk C. Bastress
Lindberg,

Ramsey R. G. Black
Dunbar,
McNulty L. G. Bigler
Field goals—Hawk 5, Lindberg 3,
Mates 2, Nichols 2, McNulty 1, Mc-
Graham 2. Foul goals—Hawk 10, Mc-
Cord 5. Referee—Metheny of Tech.
Time of halves—20 minutes.

STUDENTS TO CHOOSE BETWEEN TWO HOLIDAYS.

Dr. Crawford announced in Chapel last Wednesday that it would be necessary to do away with one of the holidays scheduled for this term, since it will be impossible to allow three holidays during the term. As two of the holidays, Washington's Birthday and Memorial Day, are fixed arbitrarily, it will be necessary sometime soon for the students to decide whether Founder's Day or Moving-up Day shall be celebrated as the third holiday of the term.

If Moving-up Day be chosen as the holiday, the formal Moving-up Day exercises would take place and the rest of the day would be free, while on Founder's Day the Chapel hour would be devoted to appropriate exercises of the day.

If Founder's Day be chosen as the holiday, the entire day would be free, while on Moving-up Day just the Chapel hour would be given over to the accustomed exercises of that day.

PITT NEXT SATURDAY.

The 'varsity basket ball five will close another successful season on next Friday evening when the local five will meet the Pitt five in Trees gymnasium. It will be remembered that the down-state team played a fast game on the local floor on March 8, and were defeated by the score of 28 to 23, and hence it is likely that they are anxious to wipe out the stain of that defeat with a victory. After the successful invasion of Western Pennsylvania, during the past week, a victory at Pitt would undoubtedly give Allegheny the championship of this part of the state, while a defeat would at the least tie us with the Pittsburghers. It is probable that the star guards, Thomas and Graham, will again be in the line-up and will more than likely surprise the Pitt forwards. Since Carnegie Tech cancelled the game on their own floor, this is the first appearance of the gold and blue in the "Smoky City" and a great many Allegheny alumni have signified their intentions of being present to root for their alma mater. Also members of the student body who live in the vicinity of Pittsburgh will be home for their vacation and expect to swell the crowd of Alleghenians.

FEW CHANGES IN FOOTBALL RULES.

Only a few minor changes in rules have been announced by the American Intercollegiate Football Rules Committee, which met recently.

Hereafter any man taken out of a game may be returned at the beginning of a subsequent period or at any time during the fourth period.

In the penalty for a forward pass touched by an ineligible player the word "may" is substituted for "shall." In case of accident to players one representative of the player's team may, after obtaining consent of the referee or umpire in each instance, go upon the field of play to attend the injured player.

It was decided that on failure of one side or the other to return in time after intermission, the referee should force that side to put the ball in play, taking the side opposite to the one occupied at the close of the last quarter.

EXCHANGE.

The adoption of the honor system in conducting examinations is being seriously considered at Lafayette.

The University of the State of Washington has the distinction of having a co-ed for cheer leader.

The students of Vassar are prohibited by action of the faculty from attending vaudeville and moving picture exhibitions in Poughkeepsie in order to uphold the dignity of the institution.

The gold sword that Louis XVI presented to John Paul Jones in recognition of the fight he made with the Bon Homme Richard against the Serapis, has been presented to the University of Pennsylvania by Edward C. Dale, a former president of the Society of the Cincinnati. The sword has been in the possession of the family for more than a century.

The Dramatic Club of the University of Cincinnati will produce as its next play "The Frogs," by Aristophanes. Prof. Harvey of the Greek department, made an original translation from the Greek especially for the club.

The University of Cincinnati is endeavoring to raise a \$1,900,000 endowment fund. Contributions are coming in, and it is believed that the amount will be raised without great difficulty.

Brown University is making plans for the one hundred and fiftieth anniversary of the founding of the institution, which will be held early in October, 1914. Brown's charter was granted by the General Assembly of Rhode Island and the Providence Plantation in 1764 and except for the name remains in force unaltered to day.

A new system of coaching has been instituted in Miami football. The candidates for positions on the team of 1913, are now out for spring practice. Once a week the theory of the game, and its finer points are advanced by prominent authorities, and every Wednesday finds the squad putting the theory into practice. After spring vacations the lectures will desist, and all possible time will be given to practice. Thirty men are now receiving instructions of this sort, which will make the preliminary practice of the fall, unnecessary.
