Dear Miss Tarbell,

I have to thank you very much for the great courtoisie and all time you dedicate to my work. All your advices have great value for me and you will find their influence afterwards.

But I am sorry that you see my book first in a very bad translation, which we are to overwork with great pain, because the whole style is heavy and is not at all mine.

Very many thanks and Mrs. Ludwig and mine's best wishes and regards.

Respectfully yours

Ludwig
