NEW RECORD SET BY FRESHMAN GROUP

Class of '38 Sees Allegheny During Annual Exercises

Tests, Banquets and Dance Feature Freshman Week.

Freshman Week, which is designed to aid incoming men and women to acquaint themselves with Allegheny's customs and traditions was officially opened on Thursday, September 13 by dinners given at Cochran and Hulings Hall, presided at by President W. P. Tolley and Dr. C. F. Ross.

The group of men assembled later at Cochran Hall and heard the different phases of college life explained by William Kennedy, who spoke on scholarship; John Corcoran who gave an explanation of social leadership; Joseph Serene who talked on college athletics; and by Richard Smith, who discussed non-athletic activities. While the men were at the smoker, the women were enjoying a feed at Hulings Hall.

The program of Friday, September 14, was opened by a chapel service conducted by President Tolley. The remainder of the morning was taken up with English and Foreign Language Placement Tests. In the afternoon, the class of '38 took a Psychological test which was followed by a picnic, field day, and dance at the Iroquois Club, Conneaut Lake.

On Saturday, Registration Day, the frosh were addressed by Dr. Bruce Wright, pastor of the First Methodist Episcopal Church, in a morning chapel service. The remainder of the morning was spent with the freshmen conferring with their advisors, and making out a schedule of classes in preparation for matriculation. In the evening, Dean J. R. Shultz and Dean Evelyn Miller spoke at dinners in Cochran and Hulings Halls respectively.

Sunday morning the students attended their respective churches. In the afternoon they were guests at a Faculty-Student Tea in Hulings Hall.

Aptitude tests and physical examinations occupied the day on Monday, with a lecture in chapel by Dr. Buckingham, and an All-College dance in the evening as the crowning events of the day.

The program was brought to a conclusion on Tuesday with Personality tests in the morning and a party in Hulings Hall in the afternoon.

Another Horn At Allegheny

When freshman R. Kenneth Horn, Jr., of Clairton, picked Allegheny for his alma mater, he had the distinction of being the fifth member of his family to do so. Both of his parents are graduates, his brother William, a football and basketball letterman, was graduated in 1933, and his brother Richard, a football and track letterman, is at present a Junior.

New Faculty Member Takes Up Duties At Allegheny

Dr. W. Scott Hall Replaces Robert Finney in Economics Department.

Dr. W. Scott Hall, who replaced Mr. Robert Finney as instructor in economics, is the single new addition to the Allegheny College faculty this year.

DR. W. SCOTT HALL

Dr. Hall is a graduate of Swarthmore College. He took his A.M. in sociology from the University of Pennsylvania in 1928; and this year completed work on his doctors degree in economics at John Hopkin's University. During 1929-31 he taught economics and sociology at Western Maryland College.

Mr. Finney, whom Dr. Hall replaces, is taking graduate work at the University of Chicago.

The new instructor is a widely traveled man, having been in every state in the Union, around the world, and in Europe for two summers. This summer he and his wife took an 8,000 mile camping trip through Northwestern United States. In the summer of 1931 he studied at the University of Mexico.

Mountain climbing is Dr. Hall's chief hobby. He has climbed half of the 14,000-foot peaks in the country, and has achieved the difficult feat of scaling Mt. Hood, Oregon.

Dr. Hall and his wife, who has an A.M. degree in history from the University of Michigan, are residing at 520 Park Avenue.

Freshman Class Contains Excellent Material for Singers

Finding a great deal of colal talent in the freshman class, the Allegheny Singers have fine prospects of a successful season, according to their director, Prof. Morton J. Luvaas.

The incoming group is exceptionally well filled with material having previous experience with fine high school choruses. However, a number of valuable members have been lost through graduation or inability to return to school. Those are: Ednamae Bruggeman, Grace Bunner, William Church, Grace Greer, Betty Kemp, Grace Leman, Melvin Meadowcroft, Richard Pantall, George Robie, William Unverzagt, Stanley Vollmer, Helen Mather, Elizabeth Yeany, Martha Lou Youngman. In addition to these losses, other members will be unable to devote their bers will be unable to devote their time to the chorus this year because of outside work.

In order to replace these losses, Prof. Luvaas started rehearsals on Tuesday afternoon with the new applicants.

University of Southern California grid coaches have winter football practice to prepare for spring football practice for next fall's season.

"Have you a nose for news?" If you have, don't fail to report to the Campus office in Ruter Hall tomorrow afternoon at 4:30. Reporting positions on staff now open.

FRATERNITIES HOLD ENTERTAINMENT FOR FRESHMAN CLASS

With the former policy of open rushing in effect, the seven national fraternities at Allegheny, were busy during the past week with a series of smokers and other entertainments for freshmen men in their houses, all of which have undergone considerable redecoration and improvement during the summer.

Delta Tau Delta held an informal smoker last Wednesday evening at which about 40 men were present. Alpha Chi Rho gave a like entertainment the next evening, which was attended by about 35 freshmen. Phi Kappa Psi entertained with smokers on Thursday and Sunday evenings.

About 50 of the new men were guests at the Phi Delta Theta house on Tuesday evening, where they saw moving pictures of college life as photographed by Fred Haberman, instructor in English and History. Sigma Alpha Epsilon and Beta Kappa also entertained about 30 freshmen each this same evening.

Phi Gamma Delta provided an entertainment program at a smoker on Sunday evening. Several skits and tap dancing performances were given.

Pledge lists of the fraternities will be announced next week.

Many Improvements Made During Summer

B. U. House is Transformed Into New Women's Dormitory.

Several renovations of buildings and equipment greeted Allegheny students on their return from the summer vacation.

The former Beta Upsilon residence at 220 Spring Street has been completely remodeled into a women's dormitory. Twenty-eight freshmen and upperclass women, under the proctorship of Miss Thelma Karlen, assisted by student government representative Miss Winifred Strick, will room in the new building.

The new dormitory is to be called "Tarbell House" in honor of Miss Ida M. Tarbell, prominent writer and Allegheny graduate of the class of 1880. The formal dedication of the house will take place about October 1.

The frame house at 464 North Main Street, owned by the College, is being made into a new men's dormitory to take care of the overflow from Caflisch Hall. The newly added unit will accomodate 12 men and will be under the proctorship of John Hulburt.

The two new dormitories are occupied, but are not wholly finished. The men's dormitory still requires considerable work, while the women's dormitory needs the connection of the heating system as well as the completion of the fire escape at the rear of the house.

Other improvements on College property include the hard surfacing of three tennis courts, the two women's courts behind Arter Hall, and one of the men's courts on George Street, the construction of a new floor in the gymnasium, and the repairing of the college driveway connecting North Main Street and Park Avenue.

Allegheny College registered its 254 new stndent Saturday to establish a new record for first year enrollment.

RECORDS

Alleghenians must note with glowing pride the advancing steps that are being made around them. Each of the two preceding years has seen advancement in academic matters, and increases in the enrollment of freshmen. And now, a new record in registration is set by the class of '38.

To accomodate these new students, Allegheny has added to itself in other ways. Returning students were delightfully surprised to note several new additions to our already beautiful home. New dormitories have been built to house our welcome newcomers; the gym, scene of many a memorable event, in either an athletic or academic scene, has been remodeled; and even "dear old" Ruter is bearing signs of its newly made changes. Improvements are cropping up all around us, in many different ways; in our curriculum; in our student government; in the college itself; and most important of all, in ourselves, the student body.

And now the gaze is directed to this latest addition to Allegheny's brood. With our welcome, we extend our wishes and hopes that the class of '38 will continue its "record breaking" methods.

GYM REMODELED

During the summer the old warped maple floor was taken out of the gym and replaced by a Durolithic floor, which is a brown asphalt composition with the playing lines built into the floor. First the concrete sub-floor was leveled over with more concrete, and then the new composition was applied over the level concrete, giving an excellent playing surface.

For those whose only exercise on the gym floor is dancing, be it known that the Durolithic floor can be used for that purpose also.

The running track on the balcony of the gym was also removed during the summer to give better seating there, and the gym was repainted. The change to a brown floor and a cream ceiling from a dark ceiling, and a light floor has considerably lightened up the gym.

A study of the addresses of the frosh reveals that they represent more than 60 towns and cities. Pittsburgh and vicinity has contributed the most students, Meadville is second, while Erie and Cleveland rank third and fourth respectively.

Mrs. Ronald Gregg, (Mary Leona Dale) former Allegheny dietician, is now employed as head dietician at Westminster College. Mrs. Gregg is the wife of Ronnie Gregg, '33.

Larue F. Smith, '34, of Buffalo, N. Y., and Sally VonSenden, '36, of Pittsburgh, were married directly after the June commencement exercises.

To Lynne Rupert, who comes from Pompano, Florida, goes the honor of being the student who has come the longest distance to enroll this year.

Allegheny Gospel Team

The year 1934-35 will see the inauguration of a new program for the Allegheny Gospel Team, sponsored by the Thoburn Club.

There will be the regular itinerary of evangelistic services for small neighboring churches, the regular supplying of the pulpit of Fifth Ward M. E. Church, and an itinerary of services conducted for larger city churches. The season will start and close with home services in Stone Church.

Students interested in religious work and Christian service are invited to attend the Thoburn Club meeting tomorrow evening at 7:15 in the history seminar room (above the periodical room in the library.

Three Faculty Members Absent From Position

The new semester has begun with three members of the faculty absent from their accustomed positions. They are Dr. Henry W. Church, Mr. Paul B. Cares, and Mr. Robert Finney.

Dr. Church, head of the Romance Language Department, is in Paris this fall on sabbatic leave. He is studying at the Sorbonne Library. Dr. and Mrs. Church will return to Meadville in January, after a period of six months abroad. This summer they traveled extensively through England, and visited Scotland and the Scandanavian peninsula.

Mr. Cares, instructor in History and Speech, left Wednesday, September 19, for Ann Arbor, Michigan, where he will take work for the degree of Master of Arts in history at the University of Michigan.

Mr. Finney, instructor in economics, is taking graduate work at the University of Chicago.

Radio Highlights

Paul Lowry who played at Allegheny ast year, is back on the air waves over WLW, Cincinnati.

Hal Kemp and his International favorites concluded their record breaking stay at the Black Hawk, Chicago, Monday night. They now move East on a tour of college proms. Hal's pleasing rythms will be missed by his inumerable fans. Kay Kaiser, a Cleveland favorite will open at the Black Hawk.

Loretta Lee, vocalist with George Hall's Orchestra in New York City, is setting many a heart beating here on the campus. How about it fellows!

One musical aggregation that continues to please listeners with it's melodies, is Glen Gray's CBS orchestra. Glen will soon leave his summer spot at the Glen Island Casino.

Happy Felton who used to lead the college orchestra at Allegheny, will soon open in a popular New York hotel.

Ozzie Nelson, a Hulings Hall favorte is back on the air with his Sunday evening broadcasts. There is interest here also for the men, when Harriet Hilliard steps before the "mike". Ozzie's collegiate rhythms always hold an interest for their listeners.

The Hotel Pennsylvania in New York City boasts one of radio's biggest treats at the present time. Tune in on Don Bestor's boys for real music.

Again the name of Rudy Vallee flashes across the radio entertainment horizon. Rudy has broken all attendance records at the Pavillion Royal, Long Island, this summer and his Thursday evening programs continue to be one of the best on the air.

COACH DANIELS CHANGES INTRAMURAL PROGRAM

New Intramural Handbook to Be Published Next Week.

Intramural sports at Allegheny will open when the golf teams representing the fraternities swing into action on Friday, September 28. Golf will be the first of a series of four events of the intramural program to be held during the fall season.

Following closely on the heels of the tennis tournament now in action, intramural competition will get under way, weather permitting, next week.

Instead of confining the intramural program to fraternity competition alone, Mr. Daniels, head of the Intramural Program, has arranged a schedule of eleven sports events, which will be divided into interclass competition along with interfraternity competition.

Both the classes and fraternities will have separate teams to represent them in the various sports.

Golf, tennis, and handball will be confined to fraternity rivalry; volley ball will be limited to interclass competition; while touch football, cross country, basketball, wrestling, swimming, mushball, and track will be open to both groups.

In order to avoid stretching the various sports over a long period of time, a system of scoring has been arranged whereby a winner in an event in which individual skill is necessary will gain ponts for both his fraternity and class.

Trophies will be awarded to both the winning fraternity and interclass teams having the highest number of points for the year. A new inter-fraternity plaque will take the place of the one secured permanently last year by Phi Gamma Delta, but hereafter the plaque will not become the permanent possession of any fraternity.

The award for the interclass competition will be a large banner which will hang in the men's lounge in Cochran Hall.

The rules governing the intramural activities of the college will be included in a hand book which went to press last Monday. The same system of officiating will be used at the contests as were in effect last year.

Men's Lounge Opened

The Men's Lounge in the basement of Cochran Hall was officially opened last Monday. Bob Edwards, '35, and Don Chester, '37 are in charge.

The lounge will be open daily from two until six o'clock in the afternoon and from seven until ten o'clock in the evening.

Cards, checkers, and ping pong equipment will be available for those wishing to use them.

The bowling alleys will not open until a later date.

Where things all start;
Where people all meet;
Where there's plenty of
fun and lots to eat.

Soccer Instituted As Varsity Sport At Allegheny

Five Game Schedule Prepared By Coach Way.

Soccer appears at Allegheny this year as a varsity sport for the first time with a five game schedule, only one game of which will be played to a ocal audience.

Soccer made a successful debut here last year as an interclass sport, but a scheduled intercollegiate game was not played.

Practice was started last Thursday under Coach Way on Arter field, with about 40 men coming out. Experienced material will be found in the members of last year's sophomore and freshman teams. At present fundamentals are being stressed by Coach Way.

Tennis Tournament Is Well Under Way

With the first round matches out of the way, the Faculty Cup Tennis Tournament goes into the quarter finals this afternoon, on the men's courts. The quarter finals will be three sets to each match, while the semi-finals and the finals, to be held Thursday and Saturday respectively, will be five ets to the match.

Monday's first round results found Warner Peterson, Archie Tate, William Goodrich and Robert Sowers the victors.

The tightest match of the day was between Sowers and Joe Serene. Serene, after a hard fight, eked out the first set, but Sowers came back to score a 6-8, 6-4, 6-4 win.

Thompson had some difficulty defeating Dick Smith in the only other match that went into three sets. Smith won the first set but tired and Thompson gained victory by 2-6, 6-4, 6-0 scores.

Goodrich defeated Herb Luce 6-2, 6-1, and Tate won from Lew Way 6-1, 6-1, in the other games of the day.

The first round closed yesterday afternoon when Fred Keck met Alex Weible; Charles Nevins played Luther Taylor; and Jack Hoeveler battled Ray Robertson.

The quarter finals will be played this afternoon.

A group of faculty have donated a cup, which will be presented to the winner of the annual tourney. The cup will remain in the winner's possession during the academic year, while a smaller trophy will be given as a permanent prize. The group donated the prizes to stimulate interest and sportsmanship in tennis.

Sixteen of Allegheny's best players were chosen to compete for the tourney, by Coach H. P. Way, Professors Ufford and Heller, tennis coaches, and Warner Peterson, tennis captain. Goodrich, Sowers, Tate, and Peterson were seeded so as not to play each others in the first round.

No, cribbing isn't new! A silk handkerchief many centuries old, recently presented to a museum, reveals that cribbing in examinations is no new invention. The handkerchief was identified as bearing thousands of microscopic characters used to convey answers to examination questions during the Kang Hi period of the Chinese government.

Women's Athletic Board Sets Program

Three appointments, plans for a fall tennis tournament, and the announcement of riding tests resulted from the initial meeting of the Women's Athletic Board held in Hulings Hall on Friday, September 21.

Eliza Jane Anderson, president, announced the replacements of former athletic leaders who did not return to school. These include Blanche Allshouse, in charge of miscellaneous affairs, replacing Millicent Hazzard; Marianna Rall, riding leader, in the absence of Ruth Hart; and Sally McVey, swimming leader, in place of Lyda Baltz.

The board also made plans for a tennis tournament during the fall season.

Arrangements for riding tests in the near future were made to obtain new members for the Boots and Saddle Club.

Many Housing Changes For Women This Year

Housing conditions for the women students of Allegheny have undergone several changes this summer.

In Hulings the former Green Parlor has been refurnished. The main parlor has been redecorated by painting and new drapes.

Beebe House has been made a freshman annex. Previously it housed both freshmen and upperclassmen.

Only junior and senior women live in Cochran Hall. They will take all of their meals at Cochran this year instead of breakfast only as Cochran Hall residents did last year.

Study Hall Opened For Freshmen

The supervised study hall for the freshmen residing in Caflisch Hall held its first session last evening in Alden Hall.

The study hall will be held on Tuesday, Wednesday, and Thursday evenings from 7:30 until 9:30 o'clock for the first semester. All freshmen are required to attend the study hall for the first six weeks. Those freshmen named on each Proctor's list will be exempt from the study hall.

The plan was introduced by Mr. Ogilvie as a result of his observations of similar conditions in other colleges.

TEN LETTERMEN BACK; 60 MEN OUT FOR TEAM.

Ten returning lettermen form the nucleus of Coach Tippin's 1934 football squad which started practice Friday and Saturday, September 14 and 15, with much better prospects for the season than last year.

Although the opening game with Clarion here is still a week and a half away, the men are being held to a stiff practice schedule stressing football fundamentals.

The new team will probably be built about ten returning lettermen and ten other men who have seen action here before. The lettermen who are returning this season are Bob Edwards, guard, and captain-elect; Bob Hamilton, guard; John Lubic, end; Dick Horn, end; John Froelich, tackle; Scott Widmann, center; Willard Berger, fullback; Dawson Weber, halfback; Sam McKim, halfback; and Cobb Diaz, halfback. The men who have had previous experience here include Hershelman, Glass, ends; Whitaker, Becker, Cousins, tackles; Grow, Johnson, guards; and Blasdell, Nevins, Dorworth, backfield men. New men bring the total of the squad up to around 60.

The loss of Captain Vanaman, Kent, and Wanick will be keenly felt, but Coach Tippin has hopes of finding replacements from his large group of material.

A number of promising freshmen are to be found on the squad, but Coach Tippin declined to comment on parti- Owing to the fact that Allegheny adheres to the three year rule in varsity athletics, freshmen are not eligible to the varsity football games.
