My dear Mr. Miller:

I just received both photographs and pamphlet and hasten to thank you for them. You are right they are of interest to me, very real interest. Mr. Hess and my father were partners in the oil business for many years and among my earliest recollections is his kindly interest in me and my small affairs. I visited back and forth at the Hess farm - a few miles away from my home. So you see all this material I am most glad to have.

I should like to keep it for awhile if you do not object, or did you mean that I was to preserve it in my files? It is very thoughtful of you to send it at all events, and I thank you for your kindness.

Very truly yours

Mr. Perry K. Miller
