

January 15, 1937

Dear Mr. Willoughby:

Here is my little  
piece on who is to handle the evil  
practices in industry. I hope you  
will find it close to your own  
conclusion, at least it is what I  
have concluded after a rather long  
look at the matter.

Very sincerely yours

Mr. Raymond G. Willoughby  
Nation's Business  
Washington, D. C.
