677 ELY AVE.
PELHAM MANOR, N. Y.

My Dear Ida.

I know you
are having a birthday.
Instead of sending you
a card I am using
this medium, which
will tell much longer
to read. Truly yours

Now of our impression,
I'm?

Children are the very
victims, except I am
one who carries them
as you do. They tell
me it is your gift
& I must believe it.

Any way what ever it
is, I'm sure my

best wishes & affectionate regards,
I hope you will
have many more.

Always yours
