My dear Miss Tarbell -

In three quarters of
an hour this afternoon
I took Owen D. Young (with
your help) from 1710 to
twelve o'clock noon, Jan-
uary 1932 when news came
over the radio that he
had written a letter to
Mr. Roosevelt informing

him that he could not
consider a cabinet
position.

I read part of your
letter and the ladies
were extremely interested.
I also read the debate
which I think is clever.

Thank you again.

Mr. Bloss has heard from
your brother and was
delighted.

We hope if you ride

- near Westborough you
will call -

In closed I send the
Dumpling -

Sincerely

Helinde F. Polson
