Miss Ida M. Tarbell,
c/o Prof. W. C. Jackson,
Greensboro, N. C.

Dear Miss Tarbell:-

Your letter of July 3rd came during my absence from the city but was answered I believe. I am sorry we have not been able to line up the other dates we had expected to have for you on this trip, but the committees backed down on account of finances, and hence the dates at Greensboro and Rock Hill are the only ones we have for you. I trust you will enjoy these engagements, and I presume you will send the drafts to us as usual along with your bill for the amount due you when you get home.

I was in Columbus, Ga. last Monday and while arranging the lyceum course there with the Federation of Women's Clubs I found they were extremely anxious to have you in Columbus during the date of their annual convention of the Georgia Federation of Women's Clubs, which falls this year on November 12 - 13 and 14th. Now the time assigned me to secure any bookings I could for you in the South for the coming season covers November 4th to 16th. Don't know that I will be able to use all of this time, but I am going to try for some business for you during that time. If I am only able to use one week I would want the week of November 11th to 16th so as to include the Columbus engagement.

The Women's Club there asked me to find out if you would be willing to address their convention either on the afternoon of your lecture on the lyceum that night or the following morning, provided they put you on the lyceum course. I told them I felt sure you would be glad to do this if we could arrange the date so as to have the date booked on the lyceum there during their convention, but thought it well to mention this to you in advance. So when you write please let me know about this.

With kind regards, I beg to remain

Very sincerely yours,

SRB'ns

President.
