LAMB'S LANE
CRESSKILL, NEW JERSEY

The Fred
Dec 20/38

Dear Miss Farkle This is not really a
Christmas greeting - although it does carry
with it our best wishes for your health
and prosperity and happiness in the
new year 1939 You may be away in

the snows of Butte come home as I
am (the outside as a snow) here at the
top of Lamb's Lane

It however I hope you have
seen or will be lined in - the news
has been more than cordial - you
who know your I wish better than any
one today may have a different point of
view - If not when we shall
say you would stop a line to this home
some - but in it and the more
than appreciated - but but make
say I say myself your friend
