

1720 GULF BUILDING
PITTSBURGH, PA.

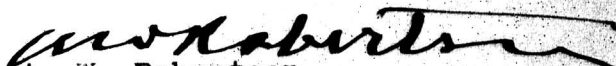

March 18, 1935

Miss Ida M. Tarbell,
120 East 19th Street,
New York City.

Dear Miss Tarbell:

I think you could write
a very good article on women in
business along the lines which we
discussed, if you care to do so.
My thought would be that a short
philosophical discussion inter-
persed with illustrations would
be most interesting and timely.

Yours very truly,

A. W. Robertson
