Miss Tarbell,

Care of Ladies Home Journal,

Philadelphia Pa.

Dear Madam:-

Having read and much appreciated your article in the March number of the Ladies Home Journal, I am taking the liberty of writing a few lines to you and ask what you think of our union which we are forming here.

Being a household worker myself I entirely agree with all you say regarding this work and think it one of the best articles that has ever been published.

It is time this occupation found its proper level which is a practical business basis if this was done the servant problem would be solved.

Thanking you for your time I am
Yours respectfully
Evelyn Randall
