N.R.A. √

We start out to do a simple thing - increase consumption by giving more steady employment now & later on, and increasing & fixing a minimum wage that purpose to bring about rapid steady increased production will be justified, Because since that is our single attempt it may start a movement & spirit - Planning.

But all such undertakings are seized by those who have things to be sold formulas for cures to be advanced. selfish interests to be advanced to promote their needs & desires. Thus we have complicating & confusing simple purposes & aims with a single purpose & meaning planning point as a weapon against depression - Old guard as well - the Retail Merchants of N.Y. against the
