My Dear Mr. Rockefeller: -

Your note of the 11th
has just found me here in
the country where I am
taking a little holiday.

I shall of course, be glad
to talk with you on any
matter in which you are
interested.

I return to New York on

February 1st and if your secretary
will call me up any morning
thereafter at Stungart 6674,
I shall be able to make
an appointment.

Very truly yours

Edw. Parker
