

July 10, 1929

Mr. Robert L. Bullard
403 Carter Building
Hattiesburg, Miss.

My dear Mr. Bullard:

Thank you for taking the trouble
to write me an encouraging word about my article in "Liberty."
Not all of the letters that I get are congratulations, I assure
you. However, when one believes that he is right, I suppose
there is nothing to do but go ahead.

Sincerely yours
