June 25, 1924

Mr. F. R. Sites,
Secretary to Judge Gary,
71 Broadway, New York.

Dear Mr. Sites:

Thank you for your letter of June 23, with its summary of points which we were to take up after Friday morning's talk with Judge Gary. I am making the proper notes from them and adding the matters which are to be taken up again, to my schedule.

I think your suggestion that we take up with Mr. Jewett the matter of copying the Daguerreotype, a very good one. It would be better to take it up with him than with the parties that I had in mind as he is more personally interested, and I am writing him this morning.

Thank you for the copy of the Vallette genealogy. I am particularly glad to have the little history of DuPage. Such documents are especially valuable in work of this kind. I shall of course see that it is returned to you as soon as I have made the necessary notes from it.

Sincerely yours,
