Fallacy of Industrial Argument.

Because they no longer can learn a dry trade, make rag carpets & mop floors etc (see Schurz) therefore ~~they must do less~~ there is nothing to do in the home. It is putting the cart in the proper place which is in the barn. If we the hands one year time is given call for the hair. If use the new devices intelligently used - it will not be necessary to make a specialty hand of hands in the table set for women.

1. One important fact stating: ~~that~~ to learn to do housework with these hand machines instead of hands - professionize it:

2. Health -

3. Thrift:

4. Realizations of social credit to the home - success of settlement social success - Jane Addams in Hull House is a great woman -
