Dear Miss Meyer:

I am sorry there has been so much delay about an article for the magazine which you are publishing on the Thirty First Birthday of Theta Sigma Phi. I have only just returned to my desk from a rather long absence in which I was doing no work.

The best I can do for you is to send something from what I have on hand. Here is a little article come out of the material gathered from my autobiography. Perhaps you have seen it - "All in the Day's Work." It has never been published and you are welcome to it if it suits your purpose. If not, please send it back. If too long, I'll trust you to cut it for your space.

Very sincerely

Miss Barbara Louise Meyer
