Miss Ida Tarbell,
120 E. 19th St.,
New York.

Dear Miss Tarbell:

Barton Currie is off on a trip. He says he will have to make your meeting with him the week after next, and apparently the middle of the week would be better rather than the beginning or the end. Why not make it Wednesday, the 23rd, if that suits you, and tell me what hour would probably be convenient for you, and I'll see if that is all right for him.

Yours sincerely,

Paul R. Reynolds

PRR/P

You can come to my office or he can come down there or we could lunch. But I'd like to arrange the price with him.
