My dear Miss Tarbell:

You have no idea
how greatly touched
I was by your beautiful
note, and by the resolu-
tions of the Committee
to thank me for my
small part in working
at the Council. I
sincerely regret to have

to leave all my good
friends, for I have
considered it a great
privilege to be associated
with the Woman's
Committee, and especially
to have been associated
with you dear Miss
Tarbell. I can never
tell you how deeply
I appreciate your kind
and loving thoughts of
me, and I only hope
that it may be my

good fortune to see you again some
time in the near future.

Again with many thanks and
sincere appreciation.

Believe me,

Faithfully your friend,

Margaret Romer Breuchaud.
