GAINSBOROUGH STUDIOS
TWO HUNDRED AND TWENTY-TWO CENTRAL PARK SOUTH
NEW YORK

Our dear friend. It was a pleasure to
read your notices in Sundays Times, but
Mr Wolff certainly fell down on his sketch
of you, for you do look twenty years younger
in life. Friend Thurbaud was born in
the same year you were, while I come
trailing along ten years later. We send

you sincerest wishes for a very happy and
healthful birthday, & we are eternally
grateful for all you efforts in giving
us much of your wonderful mind, and
work to the world, so with loving
greeting we salute you,

Affectionately,

Charles F. & Nell Eastman Brown,
