Dearest Friend

Mrs McElure will go only to Fiesch & return money on acct of Mrs Keays. She will therefore be here for another four weeks. The regimen here for a month would do Sara a wonderful lot of good & amenable a delight to Mrs McElure who loves her most tenderly.

This plan would suit her measure best! You spend Monday night here & Tuesday you two start for Briguel & Fiesch. Our plans include the Lyndine & back by

Simplon, with a little Italian
tour (Venice)

I can hardly wait for
you. I do not join the
party (who leave this morning to
Chamonix) until Thursday.
I miss you! & the trip

awaits your appearance.

Our love & tenderness to
Sara - she is the sweetest
& dearest child in the
world.

Dear and

A. M. Chene
