Dear Madam;

We have your letter of April 4th. We wish that you would give us the details of the day and date of the money furnished by you during the years indicated in your letter. We think it will finally be required and we better get it in proper form when we first make use of it.

The papers showing the appointment of Osborne as Committee have been sent to the Pension Department and hope before many days the money can be paid.

Very truly yours,

Ottaway & Munson
