Mr. Colvin B. Brown, Manager,
Organization Service,
Chamber of Commerce
Washington, D.C.

My dear Mr. Brown:

Thank you heartily for your prompt reply to my request for information concerning women in Chamber of Commerce work. I am writing directly to the secretaries of a number of the organizations you mentioned in the report which you were good enough to send me and if I receive any information of importance I will be glad to pass it on to you. To find out how many women in the country are heads, or active heads of businesses, would be too extensive an investigation for me and not necessary for my purpose. I am convinced from my observations and inquiries in the past that there is a very much larger number of them than the public, even the well informed public, has recognized.

Very sincerely,

LMT BKK.
